NATALE CON ARCHÉ '20

Fir Italia

has decided to show tangible solidarity with the children and families who are rebuilding their lives as a way of wishing joyous holidays.

Fir Italia has gifted the sum required for traditional gifts to Fondazione Arché, thus supporting the work they do every day to help disadvantaged people who are experiencing social or personal difficulties.

With this donation, Fondazione Arché, together with its volunteers and operators, will be able to support families and children, and help them build their independent life.

Arché, together with whoever will benefit from this significant gesture, expresses its sincere thanks.
A warm hug and we wish you all a happy holiday season.
