70 ANNI DI DESIGN

Dal 1957 raccontiamo oltre 65 anni di passione per il design, unendo visione e innovazione a una profonda anima artigianale che vive in ogni dettaglio, nelle lavorazioni curate, nei materiali ricercati e nelle finiture preziose e colorate che trasformano ogni rubinetto in un'autentica espressione di stile ed emozione.

TRADITION SINCE 1957

Since 1957, we have been telling a story shaped by more than 65 years of passion for design. A story that blends vision and innovation with a refined artisanal spirit reflected in every detail. It reveals itself in our meticulous craftsmanship, in the carefully selected materials, and in the sophisticated, colourful finishes that elevate each tap into a distinctive expression of style and emotion.

TRADITION SEIT 1957

Seit 1957 erzählen wir eine Geschichte, die von über 65 Jahren Leidenschaft für Design geprägt ist. Eine Geschichte, in der sich visionäres Denken und Innovation mit einer tief verwurzelten handwerklichen Seele verbinden, die in jedem Detail spürbar ist. Sie zeigt sich in unserer sorgfältigen Verarbeitung, in den ausgewählten Materialien und in den edlen, farbigen Oberflächen, die jede Armatur zu einem authentischen Ausdruck von Stil und Emotion werden lassen.

Ogni nostra creazione nasce dall'incontro tra maestria artigianale e tecnologia avanzata. Ogni linea, ogni superficie, ogni finitura racconta una storia di cura, passione e ricerca della perfezione.

Each of our creations is born from the encounter between artisanal mastery and advanced technology. Every line, every surface, every finish reflects a story of dedication, passion, and the pursuit of perfection.

Jede unserer Kreationen entsteht aus der Verbindung von handwerklicher Meisterschaft und modernster Technologie. Jede Linie, jede Oberfläche, jede Beschichtung vermittelt eine Geschichte von Sorgfalt, Leidenschaft und dem Streben nach Perfektion.

DESIGN
ESCLUSIVO, ICONE DI STILE

EXCLUSIVE DESIGN, ICONS OF STYLE

EXKLUSIVES DESIGN, STILIKONEN

Non è solo un progetto,
ma un'esperienza: il gesto
quotidiano diventa sensazione,
la materia diventa emozione,
il design diventa identità.

It is more than a project. It is an experience. The everyday gesture becomes a sensation, material becomes emotion, and design becomes identity.

Es ist mehr als nur ein Projekt. Es ist ein Erlebnis. Die alltägliche Geste wird zur Empfindung, das Material zur Emotion, und Design wird zur Identität.

Dal colore alla texture, dai materiali
alle soluzioni tecnologiche, tutto
è studiato per offrire armonia,
continuità e una qualità
che si percepisce a prima vista
e si sente in ogni dettaglio.

From colour to texture, from materials to technological solutions, everything is conceived to offer harmony, continuity, and a quality that is immediately perceived and felt in every detail.

Von der Farbe über die Textur bis hin zu Materialien und technologischen Lösungen ist alles darauf ausgerichtet: Harmonie, Kontinuität und eine Qualität zu schaffen, die man auf den ersten Blick wahrnimmt und in jedem Detail spürt.

Comprendere i desideri più autentici delle persone, coglierne le esigenze quotidiane: è da qui che nasce la nostra visione. In ogni dettaglio, in ogni linea, vive l'attenzione profonda verso ciò che conta davvero.

Understanding people's most genuine desires and anticipating their everyday needs: This is where our vision takes shape. Every detail, every line reflects a deep dedication to what truly matters.

Die authentischsten Wünsche zu verstehen und die täglichen Bedürfnisse zu erkennen bildet die Grundlage unserer Vision. In jedem Detail, in jeder Linie zeigt sich unsere tiefe Aufmerksamkeit für das, was wirklich zählt.

Cerchiamo costantemente soluzioni capaci di unire armonia estetica e funzionalità, affinché ogni rubinetto offra non solo comfort nell'utilizzo, ma anche bellezza, carattere e qualità che durano nel tempo.

We continually pursue solutions that bring together aesthetic harmony and functional excellence, ensuring that every tap offers not only comfort in daily use but also beauty, character and qualities enduring over time.

Wir suchen kontinuierlich nach Lösungen, die ästhetische Harmonie und Funktionalität vereinen, sodass jede Armatur nicht nur Komfort im täglichen Gebrauch bietet, sondern auch Schönheit, Charakter und Qualitäten besitzt, die langfristig Bestand haben.

COMPANY CERTIFICATIONS

Fir Italia reaffirms its commitment to quality, focusing on meeting customer expectations and continuously improving its processes. This includes planning, implementing, monitoring and optimising both operational and support activities, as well as designing and implementing the quality management system to achieve its goals.

ZERTIFIZIERUNGEN DES UNTERNEHMENS

Fir Italia betont sein Engagement für Qualität und konzentriert sich auf die Erfüllung der Kundenerwartungen sowie auf die kontinuierliche Weiterentwicklung seiner betrieblichen und unterstützenden Prozesse durch Planung, Umsetzung, Überwachung und Optimierung. Darüber hinaus wird das Qualitätsmanagementsystem als Mittel zur Erreichung dieser Ziele entwickelt und angewendet.

CERTIFICAZIONI DI PRODOTTO

La qualità dei prodotti Fir Italia si riscontra nelle certificazioni ottenute*, nonché dall'impegno dell'azienda in tutte le fasi del processo produttivo, dalla selezione delle materie prime, ai numerosi controlli, al supporto tecnico, fino al servizio pre e post vendita volto alla piena soddisfazione del cliente.

*Per certificazione DVGW dei singoli articoli vedere sezioni tabellari delle collezioni.

C SA US

PRODUCT CERTIFICATIONS

The quality of Fir Italia's products is demonstrated by the certifications the company has obtained and by its active involvement in every stage of the production process, from selecting raw materials to performing numerous checks, as well as providing technical support and pre- and after-sales services to ensure full customer satisfaction.*

**As regards the DVGW certification of single items, see the table sections of the collections.*

PRODUKTZERTIFIZIERUNGEN

Die Qualität der Produkte von Fir Italia zeigt sich nicht nur in den erhaltenen Zertifizierungen*, sondern auch in dem engagierten Einsatz des Unternehmens in allen Phasen des Produktionsprozesses, von der Auswahl der Rohstoffe über die zahlreichen Kontrollen und die technische Unterstützung bis hin zum Service vor und nach dem Verkauf, der auf die volle Zufriedenheit der Kunden ausgerichtet ist.

*Für die DVGW-Zertifizierung einzelner Artikel siehe tabellarische Abschnitte der Kollektionen.

RISPARMIO IDRICO

Le rubinetterie per lavabo, bidet e lavello di tutte le collezioni Fir Italia, in stile moderno o classico, contribuiscono al risparmio idrico, aiutando ciascuno di noi nella drastica riduzione dei consumi superflui d'acqua. Su ogni miscelatore Fir Italia è installato di serie un aeratore con limitatore che riduce la portata a 6 l/m.
Una soluzione "green" che porta un risparmio di circa il 50% dei consumi in termini di acqua erogata.

SAVING WATER

The washbasin, bidet and sink taps and mixers of all Fir Italia collections, whether in modern or classic style, help to save water, and thus allow us all to significantly reduce unnecessary water consumption. All Fir Italia mixers are fitted as standard with an aerator with flow reducer that reduces the flow rate to 6 l/m. It is therefore a green solution that allows the user to save on about 50% of the water used.

WASSEREINSPARUNG

Die Armaturen für Waschtisch, Bidet und Spüle aller Kollektionen von Fir Italia, ob im modernen oder klassischen Stil, tragen zur Wassereinsparung bei und helfen jedem von uns, unnötigen Wasserverbrauch drastisch zu reduzieren. Jeder Einhebelmischer von Fir Italia ist serienmäßig mit einem Luftsprudler mit Begrenzer ausgestattet, der die Durchflussmenge auf 6 l/m reduziert. Eine ökologische Lösung, die zu einer Einsparung von etwa 50% beim Wasserverbrauch führt.

REFERENZE

Le rubinetterie e le soluzioni doccia FIR Italia sono scelte per le sale da bagno e gli ambienti cucina di grand hotel, strutture di accoglienza, complessi residenziali, ristoranti, residence, navi in tutto il mondo.
Eccone alcune.

REFERENCE

FIR Italia taps and mixers and shower solutions are chosen for grand hotel bathrooms and kitchens, hospitality facilities, residential complexes, restaurants, residences, ships all over the world.

REFERENZEN

FIR Italia Armaturen sowie Duschlösungen werden für die Badezimmer und Küchen von Grand Hotels, Hospitality-Einrichtungen, Wohnhausanlagen, Restaurants, Wohnhäusern und Schiffen auf der ganzen Welt ausgewählt.

FINITURE

LE SUPERFICI SI RINNOVANO, MA L'ESSENZA RESTA.

Nascono nuove finiture che non cambiano ciò che siamo, ma lo esprimono con una voce ancora più intensa. La stessa tecnologia, collaudata e precisa, continua a essere il cuore di ogni creazione. Le stesse caratteristiche, solide e riconoscibili, custodiscono il DNA dell'azienda: colore, materia, tecnologia e design si intrecciano in un equilibrio che non evolve per necessità, ma per visione.

Queste nuove proposte non sono semplici varianti, ma interpretazioni. Raccontano la luce in modo diverso, dialogano con lo spazio, trasformano ogni ambiente — indoor e outdoor — in un'esperienza coerente, fluida, senza confini.

FINISHES
SURFACES EVOLVE,
BUT THE ESSENCE REMAINS

New finishes emerge that do not change who we are, but express it with an even more intense voice.
The same tested and precise technology remains at the heart of every creation.
The same solid and distinctive features preserve the company's DNA: colour, material, technology, and design intertwine in a balance that evolves not out of necessity, but out of vision.

These new proposals are not simple variations, but interpretations.
They tell the story of light in a different way, engaging in dialogue with space and transforming every environment — indoor and outdoor — into a coherent, fluid, and borderless experience.

BESCHICHTUNGEN
DIE OBERFLÄCHEN ERNEUERN SICH,
DOCH DIE ESSENZ BLEIBT

Es entstehen neue Oberflächen, die nicht verändern, wer wir sind, sondern dies mit einer noch intensiveren Stimme zum Ausdruck bringen. Die gleiche bewährte und präzise Technologie bleibt das Herzstück jeder Kreation. Die gleichen soliden und wiedererkennbaren Merkmale bewahren die DNA des Unternehmens: Farbe, Material, Technologie und Design verbinden sich zu einem Gleichgewicht, das sich nicht aus Notwendigkeit, sondern aus Vision weiterentwickelt.

Diese neuen Vorschläge sind keine einfachen Varianten, sondern Interpretationen. Sie erzählen das Licht auf eine andere Weise, treten in Dialog mit dem Raum und verwandeln jede Umgebung — indoor und outdoor — in ein kohärentes, fließendes, grenzenloses Erlebnis.

94.1120.3.61.28
Gentle Copper + Deep Nocturne Corian®

Ogni finitura è pensata per distinguersi, per offrire qualcosa che non esiste altrove. Esclusività non come dichiarazione, ma come naturale conseguenza di una ricerca continua. Unicità non come eccezione, ma come standard.

Perché innovare, a volte, significa restare fedeli. E trovare, nella continuità, nuove forme di emozione.

Each finish is designed to stand out, to offer something that does not exist elsewhere. Exclusivity is not a statement, but the natural outcome of continuous research. Uniqueness is not an exception, but the standard.

Because to innovate sometimes means to remain faithful. And to find, within continuity, new forms of emotion.

Jede Beschichtung ist darauf ausgelegt, sich abzuheben und etwas zu bieten, das es anderswo nicht gibt. Exklusivität ist keine Aussage, sondern die natürliche Folge kontinuierlicher Forschung. Einzigartigkeit ist keine Ausnahme, sondern der Standard.

Denn Innovation bedeutet manchmal, treu zu bleiben. Und in der Kontinuität neue Formen von Emotion zu finden.

TECNOLOGIA ADVANCED SUPERFINISH PROCESS (ASP)

ASP
ADVANCED
SUPERFINISH
PROCESS

La tecnologia **ASP** abbatte le barriere cromatiche, offrendo ad architetti e designer una libertà espressiva estetica totale.

Immagina un ambiente bagno o un'area wellness dove la continuità visiva è completa. Con ASP non devi più scegliere tra desiderio e fattibilità: lo stesso colore personalizzato riveste con assoluta fedeltà rubinetterie, soffioni doccia, accessori, complementi e profili dei box doccia, sia per l'indoor che per l'outdoor. Una tecnologia d'avanguardia che resiste al trascorrere del tempo e agli agenti atmosferici, limitando le impronte e liberando la tua creatività da limiti di dimensione e materiale.

I punti di forza in sintesi:

- **Total look unico:** Continuità cromatica impeccabile tra una molteplicità di elementi nello stesso ambiente.
- **Su qualsiasi dimensione:** Trattamento uniforme dai micro-dettagli alle grandi superfici (colonne doccia, piastre, profili).
- **Finitura sartoriale:** Il colore che hai immaginato, creato su misura per le tue esigenze.

ADVACED SUPERFINISH PROCESS TECHNOLOGY (ASP)

ASP technology breaks down chromatic barriers, offering architects and designers complete aesthetic freedom of expression.
Imagine a bathroom environment or wellness area where visual continuity is seamless. With ASP, you no longer have to choose between desire and feasibility: the same customised colour is applied with absolute consistency across taps, shower heads, accessories, complements, and shower enclosure profiles, both indoors and outdoors.
A cutting-edge technology designed to withstand the passage of time and atmospheric agents, reducing fingerprints and freeing your creativity from limitations of size and material.
Key strengths at a glance:
Unique Total Look: impeccable colour continuity across multiple elements within the same environment.
On any scale: uniform treatment from micro-details to large surfaces (shower columns, plates, profiles).
Tailor-made finish: the colour you imagined, created to meet your exact requirements.

ADVACED SUPERFINISH PROCESS TECHNOLOGIE (ASP)

Die ASP-Technologie überwindet farbliche Grenzen und bietet Architekten und Designern vollständige ästhetische Gestaltungsfreiheit.
Stellen Sie sich ein Badezimmer oder einen Wellnessbereich vor, in dem visuelle Kontinuität vollkommen ist. Mit ASP müssen Sie nicht mehr zwischen Wunsch und Umsetzbarkeit wählen: dieselbe individuelle Farbe wird mit absoluter Präzision auf Armaturen, Kopfbrausen, Accessoires, Ergänzungselemente und Profile von Duschkabinen aufgebracht – sowohl im Innen- als auch im Außenbereich.
Eine zukunftsweisende Technologie, die dem Lauf der Zeit und Witterungseinflüssen standhält, Fingerabdrücke reduziert und Ihre Kreativität von Größen- und Materialgrenzen befreit.
Die wichtigsten Vorteile im Überblick:
Einzigartiger Total Look: perfekte Farbharmonie zwischen unterschiedlichsten Elementen innerhalb desselben Raumes.
Für jede Dimension: gleichmäßige Behandlung – von feinsten Details bis hin zu großen Flächen (Duschsäulen, Platten, Profile).
Maßgeschneiderte Beschichtungen: die Farbe, die Sie sich vorgestellt haben – individuell nach Ihren Anforderungen gefertigt.

TEST DI RESISTENZA

OLTRE GLI STANDARD: TESTATI PER RESISTERE ALLE SFIDE PIÙ DURE E A QUELLE DEL TEMPO

Oltre ai tradizionali test di laboratorio, tra i quali anche quello della **nebbia salina** andato oltre le **1000 ore** di resistenza (risultato superiore alle altre tecnologie del colore), le nostre rubinetterie hanno superato anche **test estremi** specifici dei settori **automotive e aerospace.** Inoltre le abbiamo sottoposte a contesti che simulano ripetuti utilizzi reali che stressano le superfici mettendole a dura prova.

Corrosione sostanze chimiche:	Nessun decadimento della finitura dopo 80 applicazioni di acetone, aceto e soluzioni alcoliche al 75%.
Corrosione sostanze quotidiane:	Resistenza assoluta al contatto prolungato (dopo 24 ore) con pasta dentifricia contenente fluoro.
Crash Test:	Nessun distacco del trattamento superficiale intorno al punto di impatto estremo con un martello da 300 g.
Adesione post-incisione:	Nessun decadimento della finitura dopo aver inciso la superficie e aver applicato solventi per 80 volte.

RESISTANCE TESTING - BEYOND STANDARD REQUIREMENTS: TESTED TO WITHSTAND THE TOUGHEST CHALLENGES AND THE PASSAGE OF TIME

In addition to traditional laboratory testing — including a salt-spray test exceeding 1,000 hours of resistance, a result superior to other colour-coating technologies — our taps have also successfully passed extreme performance tests commonly used in the automotive and aerospace industries. They have further been subjected to conditions simulating repeated real-world use, specifically designed to stress the surfaces and push their durability to the highest level.
Chemical corrosion: No deterioration of the finish after 80 applications of acetone, vinegar and 75% alcohol solutions.
Daily substance corrosion: Absolute resistance to prolonged contact (after 24 hours) with fluoride-containing toothpaste.
Crash Test: No detachment of the surface coating around the point of extreme impact with a 300 g hammer.
Surface durability after engraving: No deterioration of the finish after engraving the surface and after 80 solvent applications.

TESTS ZUR BESTÄNDIGKEIT - ÜBER DIE STANDARDS HINAUS: GETESTET, UM DEN HÄRTESTEN HERAUSFORDERUNGEN UND DEM VERLAUF DER ZEIT STANDZUHALTEN

Neben den traditionellen Laborprüfungen – darunter auch der Salzsprühtest, der über 1.000 Stunden Beständigkeit erreichte (ein Ergebnis, das anderen Farbtechnologien überlegen ist) – haben unsere Armaturen zudem extreme Tests aus den Bereichen Automotive und Aerospace erfolgreich bestanden.
Darüber hinaus wurden sie Bedingungen ausgesetzt, die wiederholte reale Nutzung simulieren und die Oberflächen stark beanspruchen, um ihre Widerstandsfähigkeit unter extremen Belastungen zu prüfen.
Chemische Korrosion: Keinerlei Beeinträchtigung der Oberfläche nach achtzig Anwendungen von Aceton, Essig und 75-%-Alkohollösungen.
Korrosion durch Alltagsstoffe: Absolute Beständigkeit bei längerem Kontakt (24 Stunden) mit fluoridhaltiger Zahnpasta.
Crash-Test: Kein Ablösen der Oberflächenbeschichtung rund um den Punkt des extremen Aufpralls mit einem 300-g-Hammer.
Oberflächenbeständigkeit nach der Gravur Keinerlei Beeinträchtigung der Oberfläche nach dem Gravieren und nach dem Auftragen von Lösungsmitteln über mehr 80 Anwendungen.

Aurora Boreale Rossa

IL TUO PROGETTO IN SOLUZIONI PANTONE, RAL E NCS

Ogni progetto d'interior porta con sé un'identità irripetibile. Non ti offriamo un prodotto di serie: hai la possibilità di definirne l'anima attraverso una personalizzazione totale ed esclusiva.

YOUR PROJECT IN PANTONE, RAL AND NCS SOLUTIONS

Every interior project carries its own unique identity. We do not offer a standard product: you have the opportunity to define its soul through complete and exclusive customisation.

IHR PROJEKT
IN PANTONE-, RAL- UND NCS-LÖSUNGEN

Jedes Interior-Projekt trägt eine unverwechselbare Identität in sich. Wir bieten kein Serienprodukt: Sie haben die Möglichkeit, seine Seele durch vollständige und exklusive Individualisierung zu definieren.

TECNOLOGIA ASP: L'EVOLUZIONE DEL COLORE SU MISURA

Grazie all'avanguardia della tecnologia ASP, la libertà cromatica non ha più confini. Il sistema innovativo permette di replicare fedelmente e su richiesta qualsiasi sfumatura dei tre standard cromatici globali, garantendo massima resistenza e resa estetica eccellente. Per l'architetto e il designer, il colore diventa così una materia da costruzione flessibile:
– Pantone® | L'Impulso Creativo.
– RAL® | Il Rigore Architettonico.
– NCS® | L'Armonia dello Spazio.

Con la tecnologia ASP azzeriamo i limiti di catalogo. Sincronizza i nostri prodotti con le pareti, i rivestimenti e l'intero layout del tuo progetto di interior design.

ASP TECHNOLOGY: THE EVOLUTION OF CUSTOM COLOUR

Thanks to the cutting-edge ASP technology, chromatic freedom no longer has boundaries. This innovative system makes it possible to faithfully reproduce, on request, any shade from the three global colour standards, ensuring maximum durability and outstanding aesthetic performance. For architects and designers, colour becomes a flexible building material:
– Pantone® | Creative Impulse
– RAL® | Architectural Precision
– NCS® | Spatial Harmony

With ASP technology, we eliminate the limits of the catalogue. Synchronise our products with walls, surfaces, and the entire layout of your interior design project.

ASP-TECHNOLOGIE: DIE EVOLUTION MASSGESCHNEIDERTER FARBEN

Dank der fortschrittlichen ASP-Technologie kennt die gestalterische Farbvielfalt keine Grenzen mehr. Das innovative System ermöglicht die originalgetreue Reproduktion jeder gewünschten Nuance der drei globalen Farbstandards und gewährleistet dabei maximale Beständigkeit sowie eine herausragende ästhetische Wirkung.
Für Architekten und Designer wird Farbe so zu einem flexiblen Gestaltungsmaterial:
— Pantone® | Kreativer Impuls
— RAL® | Architektonische Präzision
— NCS® | Harmonie des Raumes

Mit der ASP-Technologie überwinden wir die Grenzen des Katalogs. Stimmen Sie unsere Produkte auf Wände, Oberflächen und das gesamte Konzept Ihres Interior-Design-Projekts ab.

FIR Unico®
THE BOX 5.0

Il sistema incasso universale
Fir Italia a 5 uscite

- La libertà del tempo: installi oggi, scegli quando vuoi
- Un'unica anima per infinite forme di bellezza
- Il tuo angolo wellness, senza confini
- Il benessere puro di una scelta "Green"
- Armonia universale e silenzio strutturale

FIR UNICO® THE BOX 5.0

Fir Italia 5-outlet universal built-in system

- *The freedom of time: install today, choose whenever you want*
- *One single soul for infinite expressions of beauty*
- *Your wellness corner, without boundaries*
- *The pure wellbeing of a "Green" choice*
- *Universal harmony and structural silence*

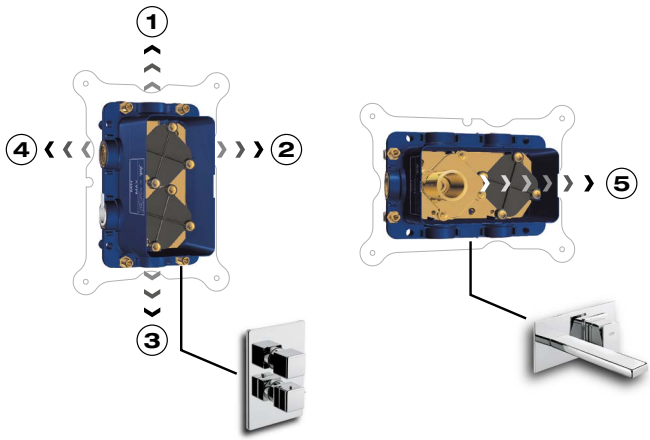

FIR UNICO® THE BOX 5.0

Das universelle UP-Einbausystem mit fünf Ausgängen von Fir Italia

- Die Freiheit der Zeit: heute installieren, jederzeit wählen
- Eine einzige Seele für unendliche Ausdrucksformen von Schönheit
- Ihre Wellness-Oase ohne Grenzen
- Das reine Wohlbefinden einer „Green"-Entscheidung
- Universelle Harmonie und strukturelle Stille

Chrome

4+1 uscite

FirUnico® è dotato di 4 uscite laterali per la doccia + 1 frontale per il lavabo.

4+1 outlets

FirUnico® is equipped with four side outlets for the shower + one front outlet for the wash basin.

4+1 Ausgänge

FirUnico® verfügt über vier seitliche Ausgänge für die Dusche + einen vorderen Ausgang für den Waschtisch.

Installa subito, scegli poi

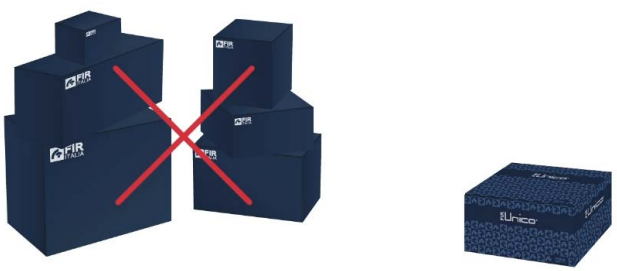

Installa subito FirUnico® e decidi in un secondo momento la tipologia di miscelatore, tradizionale o termostatico, e anche il modello della collezione da abbinare.

Install now and choose later

Install FirUnico® now and decide later on the type of mixer tap, traditional or thermostatic and on the design from the collection you prefer.

Sofort montieren, später entscheiden

Montieren Sie FirUnico® sofort und entschieden erst später, ob sie einen traditionellen oder einen Thermostat-Einhebelmischer wählen möchten. Auch das Modell der Kollektion lässt sich später wählen.

Magazzino intelligente

FirUnico® ti consente di ottimizzare il tuo magazzino merci, mettendo a stock 1 solo corpo incasso

Intelligent Warehousing

FirUnico® guarantees warehouse optimization, with just 1 easy-to-store single-piece built-in unit.

Durchdachte Lagerhaltung

FirUnico® erlaubt Ihnen, Ihre Lagerhaltung zu optimieren, da nur ein einziger Unterputz-Körper im Lager erforderlich ist.

Green

FirUnico® ha un'anima realizzata in ottone ADZ con piombo zero, guarnizioni alimentari e adattatori di passaggio acqua in tecnopolimero con certificazione alimentare, totalmente atossico e riciclabile.

Green

FirUnico® has a lead-free DZR brass body, food-grade gaskets and a technopolymer water-flow adapter certified for contact with drinking water, completely non-toxic and fully recyclable.

Green

FirUnico® hat einen Körper aus ADZ-Messing ohne Blei, Dichtungen für den Lebensmittelgebrauch und einen Wasserdurchfluss-Adapter aus Technopolymer, der für den Kontakt mit Lebensmitteln zertifiziert, vollkommen ungiftig und vollständig recycelbar ist.

DVGW CERT
DIN EN 817
DIN EN 1111

Affidabilità certificata

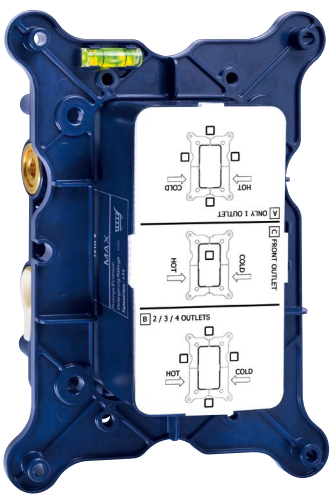

FirUnico® è stato testato a oltre 25 bar di pressione, sottoposto a cicli di funzionamento continui acqua calda e fredda per oltre 500 ore. Questi e altri risultati di severe prove di laboratorio certificano la sua qualità.

Certified reliability

FirUnico® has been tested at a pressure of over 25 bar and subjected to continuous hot- and cold-water operation for more than 500 hours. These and other results obtained through strict laboratory testing certify its quality.

Zertifizierte Zuverlässigkeit

FirUnico® wurde bei einem Druck von über 25 bar geprüft und über einen Zeitraum von mehr als 500 Stunden mit kontinuierlichen Betriebszyklen mit Kalt- und Warmwasser getestet. Diese und weitere Testergebnisse, die durch strenge Labortests nachgewiesen wurden, bestätigen seine Qualität.

Articolo dotato di braccio doccia posizionabile e fissabile secondo l'angolatura preferita.
Item equipped with positionable shower arm, fixable according to the desired angle.
Artikel mit positionierbarem und fixierbarem Brausenarm zur Einstellung auf den gewünschten Winkel.

Articolo dotato di braccio doccia regolabile in altezza.
Item equipped with height-adjustable shower arm.
Artikel mit positionierbarem und fixierbarem Brausearm, einstellbar auf den gewünschten Winkel.

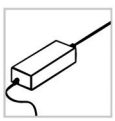

Articolo dotato di supporto scorrevole e girevole per doccetta.
Item equipped with sliding and swivel support for hand shower.
Artikel mit verschiebbarem und drehbarem Brausehalter für die Handbrause.

Articolo dotato di bocca di erogazione girevole.
Item equipped with swivel water spout.
Artikel mit drehbarem Auslauf.

Articolo dotato di sistema di cromoterapia LED RGB a basso voltaggio (12V).
Item equipped with low-voltage RGB LED chromotherapy system (12V).
Artikel mit Niedrigspannungs-LED/RGB-Farbtherapiesystem (12V).

Articolo dotato di trasformatore (220Vac - 12 Vdc).
Item equipped with transformer (220 Vac - 12 Vdc).
Artikel mit Transformator (220 V AC – 12 V DC).

Articolo dotato di telecomando per soffione doccia, per il controllo del sistema di cromoterapia.
Item equipped with shower head remote control device for controlling the chromotherapy system.
Artikel mit Fernbedienung für die Kopfbrause zur Steuerung des Farblichttherapie-Systems.

Articolo ideale per ristrutturazioni non invasive, senza spaccare muro e piastrelle.
Item suitable for non-invasive renovation, without breaking wall or tiles.
Artikel, ideal für nichtinvasive Renovierungen ohne Arbeiten an Wand und Fliesen.

Articolo dotato di elettrovalvola.
Item equipped with electrovalve.
Artikel mit Magnetventil ausgestattet.

Numero tipologia di getti.
Number of water jets types.
Number of water jet types.

Ugello funzione nebulizzatore ispezionabile per manutenzione e pulizia senza la necessità di smontare il soffione doccia.
Inspectable nebulizer nozzle for maintenance and cleaning without disassembling the shower head.
Inspektionierbare Verneblerdüse; zur Wartung und Reinigung ist keine Demontage der Kopfbrause erforderlich.

Codice articolo della doccetta multifunzione.
Multifunctional hand shower code nr.
Artikelnummer der Multifunktions- Handbrause.

Sistema incasso universale dotato di 4 uscite laterali per miscelatore doccia + 1 frontale per miscelatore lavabo.
Universal built-in system equipped with 4 side outlets for shower mixer + 1 frontal outlet for wash basin mixer.
UP-Universal-System mit vier seitlichen Ausgängen zu Brausearmatur + 1 Ausgang nach vorne zu Waschtisch-Einhebelmischer.

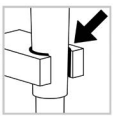

Articolo dotato di telecomando per soffione doccia multifunzione, per il controllo dei tre tipi di getto d'acqua e del sistema di cromoterapia.
Item equipped with a remote control for the multifunction shower head, allowing control of the three water jet types and the chromotherapy system.
Artikel mit Fernbedienung für die Multifunktions-Kopfbrause, zur Steuerung der drei Wasserstrahlarten und des Farblichttherapie-Systems.

Articolo certificato DVGW.
DVGW certified item.
Artikel DVGW zertifiziert.

Articolo certificato DVGW.
DVGW certified item.
DVGW-zertifizierter Artikel.

Supporto doccia con copertura interna antigraffio.
Hand shower wall support with anti-scratch inner protection.
Wandbrausehalter mit kratzfestem Innenschutz.

Articolo dotato di sistema di regolazione precisa e facilitata.
Article equipped with a system that allows precise and easy adjustment.
Artikel mit einem Montagesystem ausgestattet, das eine präzise und mühelose Einstellung ermöglicht.

COME SI LEGGE IL LISTINO

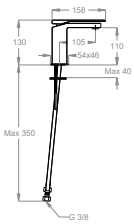

HOW TO READ THIS LIST
WIE DIESE PREISLISTE ZU LESEN IST

All'interno del tabellare di ogni collezione, per ogni codice articolo, sono riportate le famiglie di finiture disponibili e il relativo prezzo.
The families of finishings available and the relative price for each item code are shown in the tabular for each collection.
In der Tabelle jeder Kollektion sind für jeden Artikelcode die verfügbaren Ausführungsfamilien und der entsprechende Preis angegeben.

Codice articolo
Item code
Artikelcode

90.1120.0

0500629 0590584 6 L/min

- Miscelatore lavabo h. 130 mm, interasse 105 mm, SENZA SCARICO.
- Wash basin mixer, 130 mm high, center distance 105 mm long, WITHOUT POP-UP DRAIN.
- Waschtisch-Einhebelmischer, Höhe 130 mm, Ausladung 105 mm, OHNE ABLAUFGARNITUR.

Per scegliere la finitura, e comporre il codice articolo completo a 11 cifre necessario per ordinare il prodotto, aprire l'aletta della terza di copertina, dove si trova "il decodificatore", la panoramica completa con tutte le famiglie, le relative finiture e i relativi codici. Tutte le finiture presenti all'interno di una famiglia hanno lo stesso prezzo.
To choose the finishing and compose the complete 11-digit product code required to order the product, open the flap on the inside back cover, where you will find the "decoder", the complete overview of all the families, with the finishings and codes. All the finishings in the same family have the same price.
Zur Auswahl der Ausführung und zur Zusammensetzung des kompletten 11-stelligen Artikelcodes, der zur Bestellung des Produkts notwendig ist, die Klappe der hinteren Innenseite des Einbands öffnen, wo sich der „Dekodierer" befindet, d.h. die komplette Übersicht mit allen Familien, den entsprechenden Ausführungen und den entsprechenden Codes. Alle Ausführungen innerhalb einer Familie haben denselben Preis.

Black to White		**28.00**	Burning Black	*Matt black*
		36.00	Dark Graphite	*Matt cold dark grey*
		38.00	Warm Grey	*Matt warm dark grey*
		31.00	Icy Grey	*Matt cold light grey*
		33.00	Light Sand	*Matt warm light grey*
		20.01	White Chalk	*Matt white*

Il codice articolo completo a 11 cifre è dato dal codice articolo a 7 cifre a cui bisogna aggiungere il codice a 4 cifre della finitura scelta.
The complete 11-digit product code is made up of the 7-digit item code and the 4-digit code of the chosen finishing.
Der komplette 11-stellige Artikelcode setzt sich aus dem 7-stelligen Artikelcode und dem 4-stellige Code der ausgewählten Ausführungen zusammen.

PULIZIA DEI PRODOTTI

CLEANING THE PRODUCTS
REINIGUNG DER PRODUKTE

ITA

Per una perfetta pulizia della superficie del prodotto, raccomandiamo di:

- Non utilizzare mai detersivi, abrasivi, solventi, agenti chimici, sostanze a base di acido muriatico, ammoniaca, acetone, candeggina, acidi di uso domestico, disinfettanti vari, paglie e/o spugne ruvide e/o metalliche che potrebbero rovinarne irreparabilmente la superficie.
- Pulire la superficie del prodotto quotidianamente ed esclusivamente con panno morbido ed acqua.
- Non rimandare mai l'asciugatura di eventuali gocce o depositi di acqua sul prodotto, che potrebbero portare alla formazione di depositi di calcare difficilmente rimovibili.
- Pulire periodicamente il filtro dell'aeratore da eventuali impurità e/o incrostazioni di calcare. Dopo lo smontaggio immergere per qualche ora l'aeratore in "semplice" aceto diluito (concentrazione massima 10% a 20 °C) e risciacquarlo esclusivamente con acqua.
- Asciugare periodicamente le superfici dei particolari in DuPont™ Corian® con un panno morbido. In caso di macchie, sciacquare la superficie con acqua calda e asciugare con un panno morbido. Non intervenire per nessun motivo sulle superfici in DuPont™ Corian® con spugnette abrasive o materiali e sostanze che potrebbero provocare graffi irreparabili.
- Non lasciare panni umidi o spugne bagnate sulle superfici in acciaio inossidabile per evitare la formazione di macchie di acqua antiestetiche.
- Non lasciare utensili ferrosi a contatto con le superfici in acciaio inossidabile, in quanto si potrebbero verificare fenomeni di corrosione per contatto. Evitare l'uso di spugne abrasive o pagliette metalliche che possano graffiare la superficie. Non utilizzare per nessun motivo detersivi che contengono cloro o suoi composti (candeggina, acido muriatico, decalcificanti, etc), in quanto potrebbero intaccare la composizione dell'acciaio inossidabile, macchiandolo oppure ossidandolo irreparabilmente.
- Non lasciare, in prossimità delle rubinetterie in acciaio inossidabile, confezioni o flaconi aperti di detersivi o altri prodotti chimici di composizione acida: le esalazioni potrebbero ossidare e in alcuni casi corrodere l'acciaio inossidabile.

ENG

Here are a few tips to perfectly clean the surface of the product:

- *Never use detergents, abrasives, solvents, chemical agents, substances based on muriatic acid, ammonia, acetone, bleach, household acids, various disinfectants, scourers and/or rough sponges and/or steel wool sponges, as they may irreparably damage the surface.*
- *Clean the surface of the product daily using a soft cloth and water only.*
- *Never allow drops or water residue to dry on the product, as this may lead to limescale buildup, which is difficult to remove.*
- *Clean the aerator filter regularly to remove any impurities and/or limescale buildup. After disassembling it, soak the aerator for a few hours in plain diluted vinegar (maximum concentration 10% at 20 °C) and rinse with water only.*
- *Dry the surfaces of DuPont™ Corian® parts regularly with a soft cloth. In case of stains, rinse the surface with warm water and dry it with a soft cloth. Under no circumstances should you use abrasive sponges or materials and substances that may irreparably scratch DuPont™ Corian® surfaces.*
- *To avoid the formation of unsightly water stains, do not leave any wet cloths or sponges on stainless steel surfaces.*
- *Do not leave any ferrous tools in contact with stainless steel surfaces, as this may cause contact corrosion. Avoid using abrasive or steel wool sponges that could scratch the surface. Detergents containing chlorine or its compounds (bleach, muriatic acid, descalers, etc.) must never be used, as they may affect the chemical composition of stainless steel, staining or oxidising it irreparably.*
- *Do not leave any open containers or bottles containing detergents or other acidic chemicals near stainless steel taps and mixers: the fumes may oxidise and, in some cases, corrode stainless steel.*

DEU

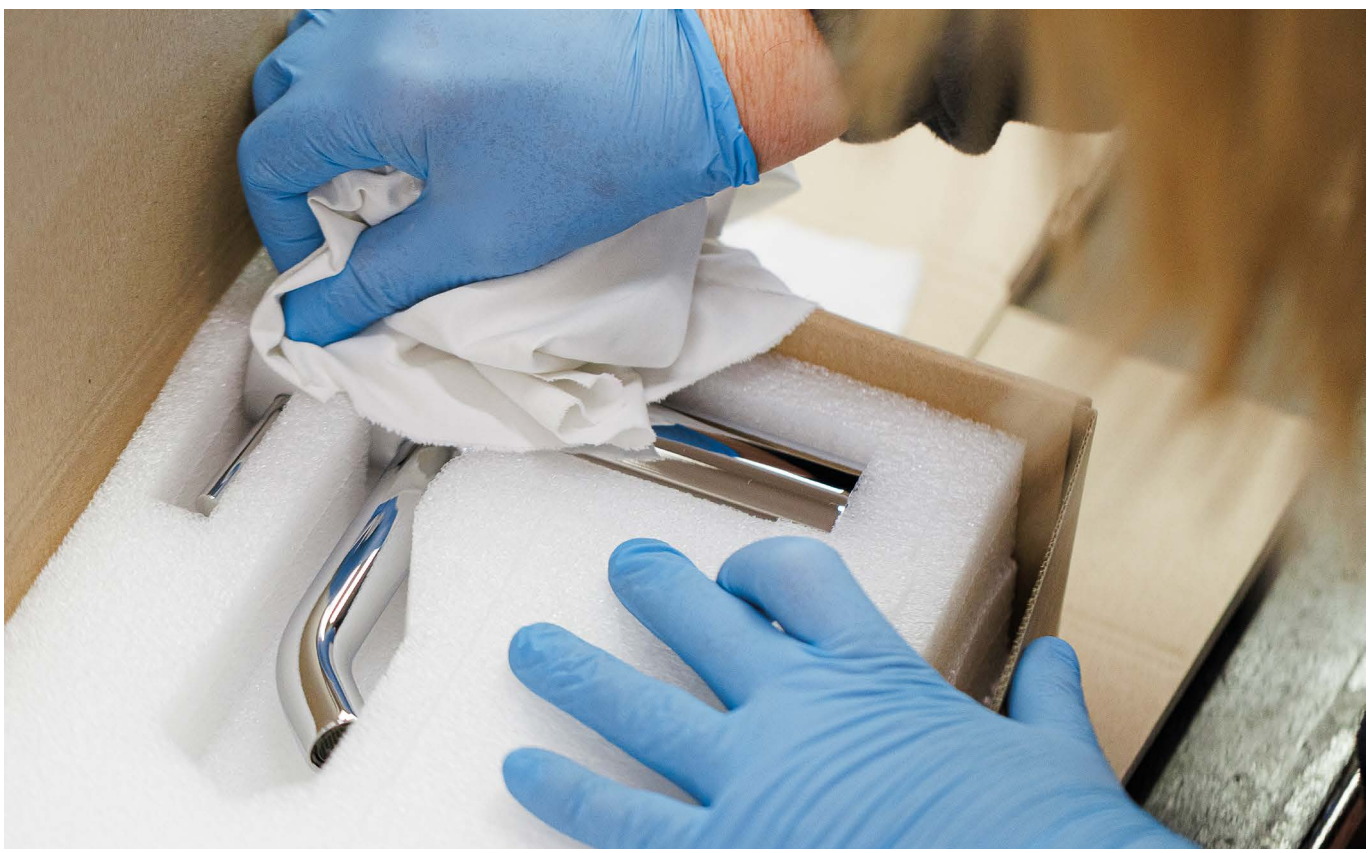

Für eine perfekte Reinigung der Produktoberfläche wird Folgendes empfohlen:

- Niemals Reinigungsmittel, Scheuermittel, Lösungsmittel, chemische Mittel, Substanzen auf der Basis von Salzsäure, Ammoniak, Aceton, Bleichmittel, Haushaltssäuren, verschiedene Desinfektionsmittel sowie Scheuer- und/oder Metallschwämme und/oder raue Schwämme verwenden, da sie die Oberfläche irreparabel beschädigen könnten.
- Die Oberfläche des Produkts täglich ausschließlich mit einem weichen Tuch und Wasser reinigen.
- Niemals die Trocknung von Tropfen oder Wasserablagerungen auf dem Produkt abwarten, da dies zur Bildung von Kalkablagerungen führen kann, die nur schwer zu entfernen sind.
- Den Filter des Luftsprudlers regelmäßig von Schmutz und/oder Kalkablagerungen reinigen. Den Luftsprudler nach der Demontage einige Stunden lang in verdünntem Essig (maximale Konzentration 10 % bei 20 °C) einweichen und anschließend nur mit Wasser abspülen.
- Die Oberflächen der Teile aus DuPont™ Corian® regelmäßig mit einem weichen Tuch abtrocknen. Bei Flecken die Oberfläche mit warmem Wasser abspülen und mit einem weichen Tuch abtrocknen. Oberflächen aus DuPont™ Corian® unter keinen Umständen mit Scheuerschwämmen oder Materialien/Substanzen bearbeiten, die irreparable Kratzer verursachen könnten.
- Keine feuchten Tücher oder Schwämme auf den Edelstahlflächen liegen lassen, um die Bildung von unschönen Wasserflecken zu vermeiden.
- Keine eisenhaltigen Werkzeuge mit den Edelstahlflächen in Berührung kommen lassen, da Kontaktkorrosion auftreten kann. Die Verwendung von Scheuer- oder Metallschwämmen vermeiden, da sie die Oberfläche zerkratzen können. Auf keinen Fall dürfen Reinigungsmittel mit Chlor oder Chlorverbindungen (Bleichmittel, Salzsäure, Entkalker usw.) verwendet werden, da sie die Zusammensetzung des Edelstahls beeinträchtigen und ihn verfärben oder irreparabel oxidieren können.
- Keine offenen Behälter oder Flaschen mit Reinigungsmitteln oder anderen säurehaltigen Chemikalien in der Nähe von Armaturen aus Edelstahl stehen lassen: Die Dämpfe könnten den Edelstahl oxidieren und in einigen Fällen korrodieren.

energy saving

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Stainless Steel i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero.
- For items with Stainless Steel finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard.
- Bei den Artikeln in Stainless Steel ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC.

CLEOSTEEL 48

CLEOSTEEL 48 MINI

LA CONCEZIONE ESSENZIALE DELLO STILE

Il design minimalista cilindrico si concretizza nella collezione CleoSteel. Le forme pure generate da geometrie semplici, realizzate in acciaio inossidabile AISI 316L e disponibili anche in versione "mini" con corpo con diametro più piccolo, le consentono di essere contestualizzata in ambienti bagno anche molto diversi.

THE ESSENTIAL CONCEPT OF STYLE

The minimalist cylindrical design is fully expressed in the CleoSteel collection of AISI 316L stainless steel taps. The basic shapes of the mixers, also available in a "mini" version with a smaller diameter, generated by simple geometries, means that they can be used in many different types of bathrooms.

DIE ESSENTIELLE KONZEPTION DES STILS

Das minimalistische zylindrische Design nimmt in der CleoSteel-Kollektion Gestalt an. Die reinen durch schlichte Geometrien erzeugten Formen aus Edelstahl AISI 316L, auch in der Version "Mini" mit Körper mit kleinerem Durchmesser, können auch in sehr unterschiedlichen Badezimmeratmosphären den richtigen Kontext finden.

PLAYSTEEL 58

RIVOLUZIONE ULTRAMINIMALISTA

L'attitudine ad innovare, sia in campo tecnologico che estetico, è una dote che Fir Italia si porta in eredità da oltre 60 anni. Il desiderio di immaginare il futuro ha fatto nascere il miscelatore PlaySteel, originato da un pezzo unico di acciaio inossidabile AISI 316L, un materiale incredibile per un design squadrato ultraminimalista di nuova generazione, unico nel suo genere, con forme e angoli estremi.

ULTRA-MINIMALIST REVOLUTION

Innovation, of both technology and aesthetics, is something that Fir Italia has had in its DNA for over 60 years. Product of our desire to imagine the future, the PlaySteel mixer is made from a single block of AISI 316L stainless steel, an incredible material and perfect for this new generation, ultra-minimalist square design - one of a kind - with extreme angles and shapes.

ULTRAMINIMALISTISCHE REVOLUTION

Der Wunsch nach Innovation, sowohl im technologischen als auch im ästhetischen Bereich, ist eine Gabe, die Fir Italia seit mehr als 60 Jahren prägt. Der Wunsch, sich die Zukunft vorzustellen, hat den Mischer PlaySteel hervorgebracht. Er besteht aus einem einzigen Teil aus Edelstahl AISI 316L; ein unglaubliches Material für ein rechteckiges, ultraminimalistisches Design der neuen Generation, das einzigartig in seiner Art ist, mit extremen Formen und Ecken.

LIFESTEEL 59

LA POTENZA DIROMPENTE DELL'INNOVAZIONE

Le innovazioni tecnologiche e i principi estetici caratteristici di PlaySteel vengono accolti anche nei rubinetti LifeSteel, con una sostanziale variazione.
La maniglia, infatti, non è più assottigliata in maniera estrema per aderire alla bocca di erogazione, ma si presenta come un elemento cilindrico posizionato lateralmente. Il corpo rimane così protagonista, ottenendo un design pulito, seducente ed elegante.

THE DISRUPTIVE POWER OF INNOVATION

The LifeSteel taps incorporate PlaySteel characteristic technological innovations and aesthetic principles, but with one substantial difference: the lever is no longer extremely thin so as to adhere to the length of the spout, but a laterally positioned cylindrical element. The body therefore remains the protagonist, creating a clean, seductive and elegant design.

DIE EXPLOSIVE KRAFT DER INNOVATION

Die technologischen Innovationen und die ästhetischen Prinzipien, die PlaySteel kennzeichnen, werden auch in den Armaturen LifeSteel aufgenommen, aber mit einer grundlegenden Änderung. Der Griff ist nicht mehr extrem schmal, um an dem Auslauf anzuliegen, sondern er präsentiert sich als zylindrisches, seitlich positioniertes Element. Der Körper bleibt somit Protagonist und bekommt ein sauberes, verführerisches und elegantes Design.

MENZIONE D'ONORE
COMPASSO D'ORO **ADI**

- LifeSteel ha ricevuto la Menzione D'Onore per il Compasso d'Oro ADI nella categoria "Design per l'abitare" e la segnalazione per l'ADI Design Index.
- LifeSteel received the Honourable Mention for the ADI Compasso d'Oro in the "Design for living" category and has been recommended for the ADI Design Index.
- LifeSteel wurde mit der Ehrenvollen Erwähnung für den Compasso d'Oro ADI (Associazione per il Disegno Industriale - italienische Gesellschaft für Industriedesign) und einer Erwähnung im ADI Design Index ausgezeichnet.

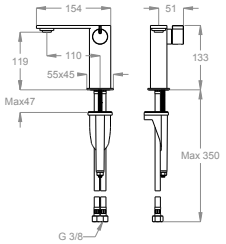

energy saving

- I miscelatori lavabo e bidet di questa collezione sono "energy saving" a risparmio idrico, con portata di 5 l/m, e riducono drasticamente i consumi superflui d'acqua.
- The washbasin and bidet mixers of this collection are "energy-saving", aimed at saving water with a flow rate of 5 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 5 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

SOFFIONI DOCCIA ACCIAIO

L'AFFIDABILITÀ DELL'ACCIAIO INOSSIDABILE AL SERVIZIO DEGLI SPAZI DOCCIA

Negli ambienti doccia, nelle aree benessere e Spa l'utilizzo dell'acciaio inossidabile AISI 316L risulta decisivo grazie alle sue proprietà tecniche ed estetiche: i soffioni doccia realizzati con questo materiale garantiscono una straordinaria resistenza ai fenomeni di corrosione, un'estrema facilità di pulizia ed un elevato coefficiente igienico.

STEEL SHOWER HEADS

THE RELIABILITY OF STAINLESS STEEL FOR THE SHOWER AREA

In showers, wellness centres and spas the use of AISI 316L stainless steel is fundamental for its technical and aesthetic properties: showerheads made from this material guarantee amazing resistance to corrosion, are extremely easy to clean and very hygienic.

EDELSTAHL KOPFBRAUSEN

DIE ZUVERLÄSSIGKEIT DES EDELSTAHLS FÜR DUSCHBEREICHE

In den Dusch-, Wellness- und Spa-Bereichen ist der Gebrauch des Edelstahls AISI 316L aufgrund seiner technischen und ästhetischen Eigenschaften ausschlaggebend: die aus diesem Material hergestellten Kopfbrausen garantieren eine ausgezeichnete Korrosionsbeständigkeit, eine extrem einfache Reinigung und einen hohen Hygienekoefzienten.

ASTE SALISCENDI ACCIAIO

COMODITÀ E FLESSIBILITÀ DI UTILIZZO IN ACCIAIO INOX

La soluzione ideale per avere una doccetta scorrevole da posizionare all'altezza desiderata lungo un'asta, oppure per completare una configurazione doccia in acciaio inossidabile che prevede anche un soffione doccia, dei body jet laterali oppure ancora una bocca di erogazione a cascata.

STEEL SHOWER SLIDE BARS

FLEXIBILITY AND EASE OF USE IN STAINLESS STEEL

The ideal solution for having a sliding hand shower which can be placed at the desired height on a bar, or for completing a stainless steel shower configuration that also includes a shower head, lateral body jets or a waterfall spout.

EDELSTAHL WANDGLEITSTANGEN

BEQUEM UND FLEXIBEL IM GEBRAUCH IN EDELSTAHL

Die ideale Lösung, um eine verschiebbare Handbrause auf der gewünschten Höhe einer Stange anzubringen oder um eine Duschkonfiguration in Edelstahl komplett zu machen, die auch eine Kopfbrause, Seitenbrausen zur Körpermassage oder auch einen Wasserfall-Auslauf vorsieht.

energy saving

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

NOHEA 77

L'ESSENZA PROFONDA DELLA RAFFINATEZZA

L'estrema precisione, la cura per il dettaglio, un omaggio alle forme cilindriche a cui si integra il valore aggiunto delle lavorazioni artigianali. La collezione di rubinetteria a tre fori Nohea 77 è tutto questo, in abbinamento a un ricchissimo panorama di finiture combinate, caratterizzate da accostamenti e contrasti cromatici unici e di forte personalità.

THE PROFOUND ESSENCE OF SOPHISTICATION

Extreme precision, attention to detail, a tribute to cylindrical shapes, along with the added value of craftsmanship. All this can be found in the Nohea 77, a collection of three-hole taps and mixers, which is available in a wide range of combined finishings that stand out for their unique and distinctive colour combinations and contrasts.

DIE TIEFE ESSENZ DER RAFFINESSE

Extreme Präzision, Liebe zum Detail, eine Hommage an die zylindrischen Formen mit dem Mehrwert der Handwerkskunst. Die Kollektion der Dreilocharmaturen Nohea 77 ist all das, ergänzt durch ein reichhaltiges Panorama an kombinierten Ausführungen, die sich durch einzigartige Farbkombinationen und Kontraste mit starker Persönlichkeit auszeichnen.

energy saving

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

In White Chalk finishing, the hose is supplied in white PVC as standard. In the other finishings, the hoses are supplied in black PVC as standard. • ANMERKUNG: Bei der Ausführung Chrom sind die Schläuche serienmäßig aus grauem PVC. Bei der Ausführung White Chalk sind die Schläuche serienmäßig aus weißem PVC. Bei den anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC.

EVELEEN 39

ELEMENTI E CARATTERISTICHE DISTINTIVE

Le forme cilindriche vengono reinterpretate nella loro essenzialità in questa collezione di rubinetteria contemporanea a tre fori. In Eveleen 39 le caratteristiche maniglie a quattro punte assumono una forma nuova, evidenziata dal tratto distintivo della sezione superiore e inferiore degli elementi, che inseriscono nella rotondità del cerchio superfici piatte e lisce per un design unico nel suo genere.

DISTINCTIVE ELEMENTS AND FEATURES

Cylindrical shapes are reinterpreted in their basic form in this collection of contemporary three-hole taps and mixers. In Eveleen 39, the distinctive cross handles now have a new shape, which is emphasised by the distinctive feature of the upper and lower sections of the elements, which incorporate flat and smooth surfaces into a round circular shape, for a truly unique design.

BESONDERE ELEMENTE UND MERKMALE

Die Schlichtheit der zylindrischen Formen wird in dieser Kollektion modernen Dreiloch-Armaturen neu interpretiert. Bei Eveleen 39 erhalten die charakteristischen Kreuzgriffe eine neue Form, hervorgehoben durch die Besonderheit der oberen und unteren Abschnitte der Elemente, die flache und glatte Oberflächen in die Rundung des Kreises einbeziehen und so ein einzigartiges Design schaffen.

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

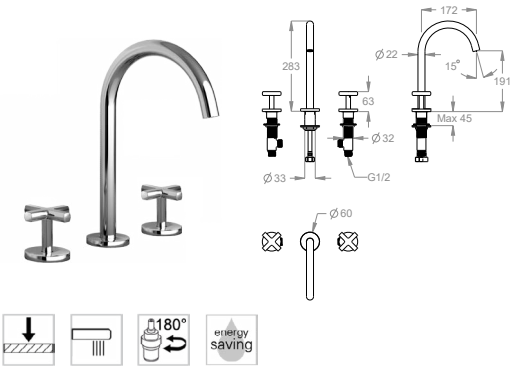

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

PLAYONE 90

L'EVOLUZIONE MINIMALISTA DEL DESIGN

Attraverso il design si ricercano soluzioni nuove per introdurre un miglioramento nella qualità del prodotto. In Playone 90 questo percorso è visibile nella cura per i dettagli, negli angoli ancora più secchi rispetto alla storica Playone 85 e soprattutto nella forma e nella posizione della leva, allungata su una bocca di erogazione più sottile per un design ancora più minimalista, moderno e attuale.

THE MINIMALIST EVOLUTION OF DESIGN

We use design to look for new solutions to improve the quality of the product. Playone 90 collection is a perfect example of this, with attention to details, more defined corners compared to those of the historical Playone 85 collection, and, in particular, the shape and position of the lever, which stretches out over an even slimmer spout, creating an even more minimalist, modern and sought-after design.

DIE MINIMALISTISCHE EVOLUTION DES DESIGNS

Durch das Design werden neue Lösungen gesucht, um eine Verbesserung der Produktqualität zu garantieren. In Playone 90 wird diese Entwicklung in der Liebe zu den Details, in den noch schlichteren Ecken als bei der historischen Kollektion Playone 85 und vor allem in der Form und in der Position des Hebels sichtbar. Der längliche Hebel ist auf einem schmaleren Auslauf positioniert und schafft somit ein noch minimalistischeres, moderneres und aktuelleres Design.

lead-free Pb

- I miscelatori lavabo e bidet di questa collezione sono realizzati con ottone lead free. Contenuto di piombo massimo 0,2 %.
- The washbasin and bidet mixers of this collection are produced in lead free brass. Maximum lead content 0,2 %.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind aus bleifreiem Messing gefertigt. Bleigehalt höchstens 0,2 %.

energy saving

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

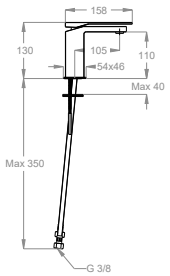

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

DÉCO 87

LA RAFFINATEZZA DECORATIVA DELL'ARTE

L'arte è una forma di linguaggio grazie alla quale siamo in grado di esprimerci stilisticamente. Trasmettiamo emozioni che si recepiscono attraverso i sensi. L'armonia negli ambienti è un equilibrio sottile che si gioca sui dettagli; le rubinetterie Déco 87 reinterpretano quelli neoclassici fondendo nelle sue forme la ricerca decorativa rigorosa dell'Art Noveau con le linee curve e sinuose dell'Art Déco.

THE DECORATIVE ELEGANCE OF ART

Art is a form of language with which we are able to express ourselves stylistically. We transmit emotions that are perceived through the senses. Harmony in rooms is a subtle balance that is achieved through details; the Déco 87 taps reinterpret neoclassical elements, with shapes created by combining the rigorous decorative aspect of Art Noveau with the curved and sinuous lines of Art Déco.

DIE DEKORATIVE RAFFINESSE DER KUNST

Die Kunst ist eine Form der Sprache, durch die wir uns stilistisch ausdrücken können. Wir vermitteln Emotionen, die wir über die Sinne aufnehmen. Die Harmonie in den Räumlichkeiten ist ein sensibles Gleichgewicht, das durch die Details definiert wird; die Armaturen Déco 87 geben den klassizistischen Details eine neue Interpretation und kombinieren in ihren Formen den rigorosen, dekorativen Stil der Art Noveau mit den kurvigen und gewundenen Linien der Art Déco.

Déco 87

Gli articoli della collezione Déco 87 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Déco 87 collection are available in the following finishing families:
Die Artikel der Kollektion Déco 87 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome

Black to White

Matt Luxe

Matt Golden

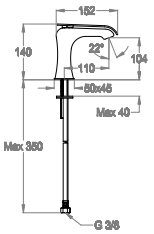

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

SYNERGY OPEN 93

UNA SINUOSA ESPRESSIONE DEGLI ELEMENTI NATURALI

Vivere a contatto con la natura genera piacevoli sensazioni. Vivere la natura anche in casa propria può diventare un'appagante abitudine. Le linee fluide e sinuose della collezione Synergy Open 93 percorrono questo sentiero esprimendo una maniglia corta e raccolta, che richiama la storia della materia in natura, raccontata dal fluire del tempo e da leggi rigorose, soltanto in apparenza illogiche.

THE SINUOUS EXPRESSION OF NATURAL ELEMENTS

Living in contact with nature makes us feel good. Experiencing nature in your own home can become a gratifying addiction. The fluid and sinuous lines of the Synergy Open 93 collection are inspired by this concept, the short, compact lever evoking the story of nature's materials, recounted by the flow of time and rigorous laws that are only apparently illogical.

EIN GESCHMEIDIGER AUSDRUCK DER NATÜRLICHEN ELEMENTE

Durch das Leben in Kontakt mit der Natur entstehen angenehme Gefühle. Die Natur auch im eigenen Zuhause zu haben, kann zu einer wohltuenden Gewohnheit werden. Die fließenden und gewundenen Linien der Kollektion Synergy Open 93 zeigen diese Tendenz mit einem kurzen und stumpfen Hebel, der auf die Geschichte der Materie in der Natur verweist, die vom Fluss der Zeit und den rigorosen und nur scheinbar unlogischen Gesetzen erzählt wird.

Black to White + Corian®

Matt Luxe + Corian®

Matt Golden + Corian®

Special Outfits + Corian®

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

SYNERGY COVER 94

LA MORBIDA PERFEZIONE DELLA NATURA

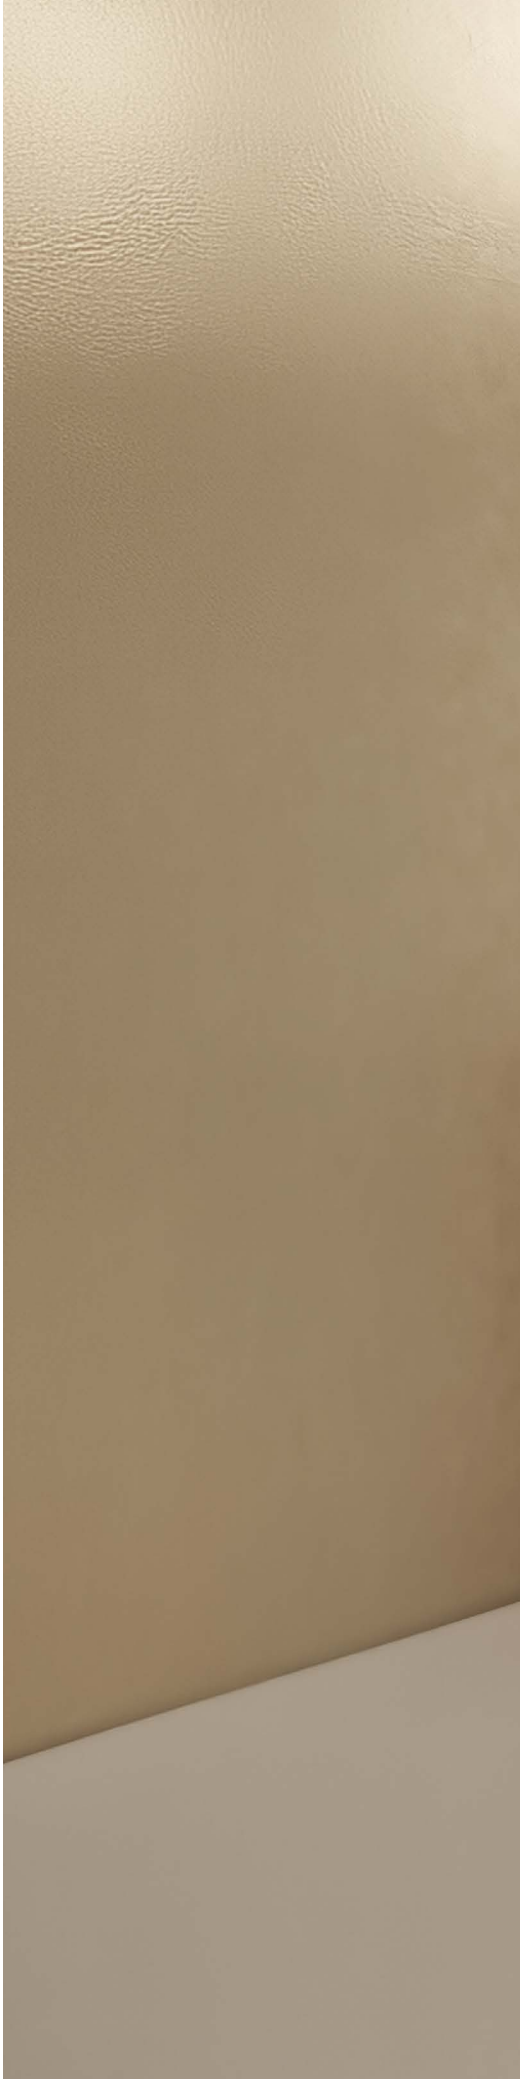

La bellezza della natura sta anche nella sua complessità e nell'armonia tra mondi all'apparenza così antitetici. Questa varietà intrinseca viene reinterpretata e rivissuta in Synergy Cover 94. L'azione di migliaia di anni compiuta da acqua, sole e vento ogni volta genera nuove forme, nuovi spessori, come nella leva di questa collezione di rubinetteria, lunga, levigata e sottile.

THE SOFT PERFECTION OF NATURE

The beauty of nature is also found in its complexity and in the harmony between seemingly antithetical worlds. This intrinsic diversity is reinterpreted and revisited in the Synergy Cover 94 collection. The action of water, sun and wind over thousands of years creates new shapes, new thicknesses, just like the lever of the taps in this collection: long, smooth and slim.

DIE WEICHE PERFEKTION DER NATUR

Die Schönheit der Natur liegt auch in ihrer Komplexität und in der Harmonie zwischen scheinbar gegensätzlichen Welten. Diese innere Vielfalt wird in Synergy Cover 94 neu interpretiert und neu erlebt. Die Wirkung von Wasser, Sonne und Wind in Tausenden von Jahren bringt jedes Mal neue Formen und neue Dicken hervor, wie bei dem Hebel dieser Armaturenkollektion: Er ist lang, glatt und schmal.

Synergy Cover 94

Gli articoli della collezione Synergy Cover 94 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Synergy Cover 94 collection are available in the following finishing families:
Die Artikel der Kollektion Synergy Cover 94 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome
Chrome + Corian®
Black to White + Corian®
Matt Luxe + Corian®
Matt Golden + Corian®
Special Outfits + Corian®

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

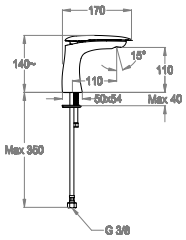

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

SYNERGY STONE 95

LA MATERIA PRENDE FORMA

Linee fluide e prive di regole geometriche ispirate agli elementi della terra rendono la collezione Synergy Stone 95 un elogio al mondo naturale, meraviglie irregolari all'apparenza regolate dal caos.
Nella versione con maniglia a forma di sasso, Synergy fa propria la levigatezza delle pietre lisce e compatte che si plasmano lungo i corsi d'acqua, elevando l'esperienza tattile ad una sensazione unica.

MATERIAL TAKING SHAPE

The fluid lines with no geometrical rules, inspired by the elements of the earth, make the Synergy Stone 95 collection a eulogy to the natural world; irregular wonders apparently governed by chaos. In the version with a stone-shaped handle, Synergy evokes the smoothness of small, perfect pebbles that have been shaped by the sea, rivers and streams, making the tactile sensations unique.

DIE MATERIE NIMMT FORM AN

Fließende Linien ohne geometrische Regeln prägen Synergy Stone 95. Sie sind an den Elementen der Erde inspiriert und sind eine Hommage an die natürliche Welt, unregelmäßige und scheinbar vom Chaos geregelte Wunder. In der Version mit Griff in Steinform greift Synergy die Glätte der glatt geschliffenen und kompakten Steine auf, die entlang von Wasserläufen geformt werden; das Berühren dieses Griffs ist angenehm und einzigartig.

Gli articoli della collezione Synergy Stone 95 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Synergy Stone 95 collection are available in the following finishing families:
Die Artikel der Kollektion Synergy Stone 95 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome + Corian®

Black to White + Corian®

Matt Luxe + Corian®

Matt Golden + Corian®

Special Outfits + Corian®

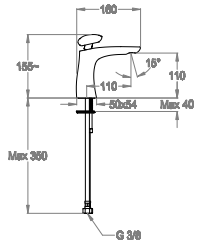

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

DYNAMICA 88

SINTESI SCULTOREA DI ELEMENTI ANTITETICI

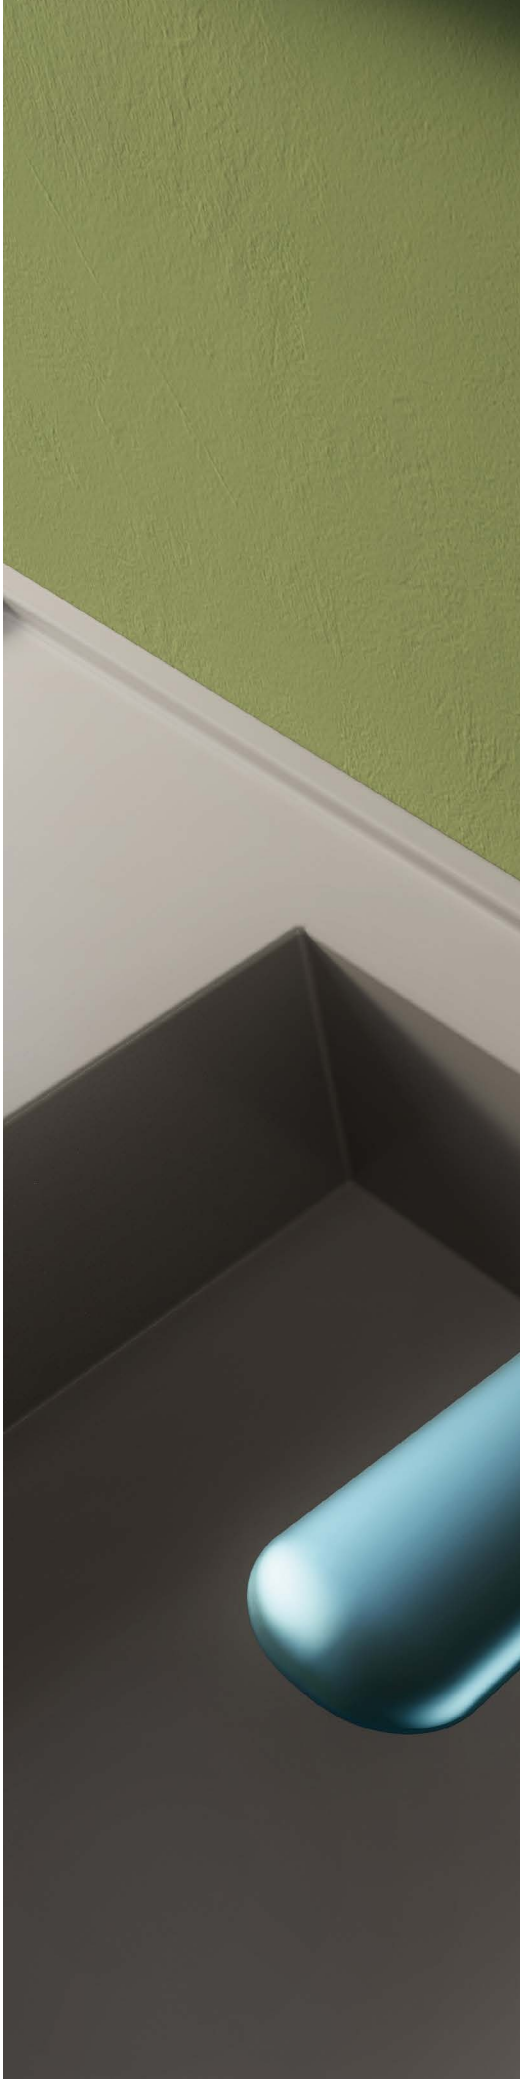

Dare forma ad un oggetto modellando la materia e lasciandosi ispirare dall'estro artistico si chiama scultura. La collezione Dynamica 88 si ispira a tendenze architettoniche contemporanee creando forme ibride, scolpite nella sintesi tra elementi morbidi e rotondi, e altri squadrati e duri. Nascono così oggetti funzionali, soluzioni in grado di trasmettere un senso di scultorea morbidezza.

A SCULPTURAL SYNTHESIS OF OPPOSING ELEMENTS

Giving shape to an object by modelling the material and letting ourselves be inspired by artistic inspiration, is called sculpture. The Dynamica 88 collection is inspired by contemporary architectural trends, creating hybrid shapes, sculpted with a blend of soft, round elements and others that are squared and hard. In this way, functional objects are created; solutions that convey a sense of sculptural softness.

DIE PLASTISCHE SYNTHESE VON GEGENSÄTZLICHEN ELEMENTEN

Die Formgebung eines Gegenstands durch das Modellieren der Materie und die Inspiration am künstlerischen Talent heißt Bildhauerei. Die Kollektion Dynamica 88 inspiriert sich an den zeitgenössischen architektonischen Tendenzen und schafft hybride Formen durch die Kombination von weichen und runden Elementen und anderen rechteckigen und harten Elementen. So entstehen funktionale Gegenstände, d.h. Lösungen, die das Gefühl plastischer Weiche vermitteln.

Dynamica 88

Gli articoli della collezione Dynamica 88 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Dynamica 88 collection are available in the following finishing families:
Die Artikel der Kollektion Dynamica 88 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome

Black to White

Matt Luxe

Matt Golden

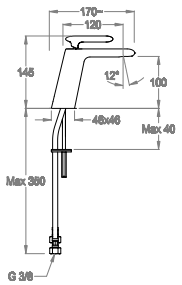

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

SOFFIONI DOCCIA INCASSO E MULTIFUNZIONE

APPAGANTI MOMENTI DI RELAX

Equilibrio tra fisico e mente significa benessere, uno stato da cercare ogni giorno nel proprio spazio doccia. I soffioni doccia multifunzione My Wellness sono in grado di donare momenti di relax assoluto, attraverso rivitalizzanti carezze d'acqua date dagli effetti di una pioggia tropicale, una energizzante cascata e una rilassante nebulizzazione. A ciò si aggiunge il benefico influsso della cromoterapia in otto colori: rosso, verde, blu, giallo, viola, azzurro, violetto, bianco.

MULTIFUNCTIONAL AND BUILT-IN SHOWER HEADS

SATISFYING MOMENTS OF RELAXATION

Balance between body and mind equals well-being; a state to seek daily in your own shower area. My Wellness multifunction shower heads offer moments of pure relaxation in the shower, with the revitalizing caresses of tropical rain, an energizing cascade or a relaxing nebulizer effect. All topped off with the beneficial influence of chromotherapy in eight colors: red, green, blue, yellow, purple, blue, violet and white.

MULTIFUNKTIONS E UP REGENBRAUSE

ERFÜLLENDE ERHOLUNGSMOMENTE

Gleichgewicht zwischen Körper und Geist bedeutet Wohlbefinden, ein Zustand, der jeden Tag im Duschbereich gefunden werden muss. Die Multifunktions-Duschbrausen My Wellness sind im Stande, durch revitalisierende Wassermassagen absolute Erholungsmomente zu schenken: Durch die Wirkung eines tropischen Regens, eines energiespendenden Wasserfalls und eines entspannenden Sprühregens. Hinzu kommt auch die wohltuende Wirkung der Farblichttherapie in acht Farben: rot, grün, dunkelblau, gelb, lila, hellblau, violett, weiß.

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

COMPLEMENTI DOCCIA

OGNI DETTAGLIO HA VALORE

La gamma di complementi doccia raccoglie elementi aggiuntivi da abbinare ai soffioni oppure alle colonne doccia: piccoli soffioni body jet laterali con funzione pioggia e nebulizzatore, ma anche bocche di erogazione a parete con getto a cascata, ideali per percorsi wellness personalizzati, sia in contesti pubblici che nel proprio bagno di casa.

SHOWER COMPLEMENTS

EVERY DETAIL HAS VALUE

The range of shower complements includes additional elements to match with the shower heads or shower bars: small lateral body jets with a rain and nebulizer function, as well as wall-mounted spouts with a waterfall jet, ideal for personalised wellness routines in both public and private bathrooms.

DUSCHACCESSOIRES

JEDES DETAIL HAT SEINEN WERT

Die Zubehör-Palette für die Dusche umfasst zusätzliche Elemente, die mit den Regenbrausen, Kopfbrausen oder mit den Duschkombinationen kombiniert werden können: Kleine Seitenbrausen zur Körpermassage mit Regenfunktion und Verneblerdüsen, aber auch Wandausläufe mit Wasserfallstrahl, ideal für personalisierte Wellness Pfade, sowohl in öffentlichen Kontexten als auch im eigenen Badezimmer zu Hause.

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

JUICE 53

IL DESIGN SCORREVOLE CHE SI ISPIRA ALL'ACQUA

La collezione Juice nasce dall'incontro tra design contemporaneo e stile funzionale. Rubinetterie con linee fluide, forme dinamiche e dettagli curati, pensate per portare freschezza e vitalità nell'ambiente bagno.
Caratterizzato da un'estetica minimalista impreziosita da accenti moderni, il design di Juice scorre, ispirandosi al movimento fluido dell'acqua. Tutte le rubinetterie lavabo, bidet e doccia sono di serie a risparmio idrico, ideali per contesti residenziali e progetti alberghieri e contract.

THE FLOWING DESIGN INSPIRED BY WATER

The Juice collection emerges from the fusion of contemporary design and functional style. Its taps and mixers, with fluid lines, dynamic shapes and refined details, are designed to bring freshness and vitality to the bathroom environment.
Characterized by a minimalist aesthetic enhanced by modern accents, Juice's design flows seamlessly, inspired by the smooth movement of water. All basin, bidet, and shower taps and mixers come equipped with water-saving technology as standard, making them ideal for residential spaces, as well as hospitality and contract projects.

DAS FLIESSENDE DESIGN, INSPIRIERT VOM WASSER

Juice ist die Kollektion, die modernes Design und Funktionalität perfekt vereint. Mit fließenden Linien, dynamischen Formen und liebevoll gestalteten Details bringt Juice Frische und Vitalität in jedes Badezimmer.
Eine minimalistische Ästhetik, veredelt durch moderne Akzente und inspiriert vom geschmeidigen Fluss des Wassers. Alle Waschtisch-, Bidet- und Duscharmaturen sind standardmäßig mit wassersparender Technologie ausgestattet und eignen sich ideal für private Wohnräume sowie für Hotel- und Objektprojekte.

CLEO 84

CLEO 84 MINI

IL MODELLO DI PERFEZIONE DEL CERCHIO

La cifra stilistica, armoniosa nella rotondità che l'ha storicamente contraddistinta, rivive in chiave moderna nella linea Cleo 84, disponibile anche in versione "mini" con corpo più piccolo. Forme cilindriche, morbide e proporzionate del corpo e della bocca di erogazione, unite all'espressione essenziale della leva, danno vita a un rubinetto dal concept fresco e minimalista, in grado di esaltarsi in ambienti contemporanei.

THE CIRCLE, A MODEL OF PERFECTION

The stylistic design of the Cleo 84 line, with the harmonious roundness that has always distinguished it, has been revisited with a modern look. The cylindrical, smooth and proportionate shapes of the body and spout, together with the simplicity of the lever, create a tap with a fresh, minimalist concept that is ideal in contemporary settings. Also available in a "mini" version with a smaller body.

DAS BEISPIEL FÜR PERFEKTION DES KREISES

Die historisch geprägte Machart, harmonisch in der Rundung, lebt in der modernen Interpretation in der Linie Cleo 84 wieder auf; sie ist auch in der Version „Mini" mit kleinerem Körper verfügbar. Zylindrische, weiche und proportionierte Formen des Körpers und des Auslaufs werden mit dem essentiellen Hebel verbunden und bringen eine Armatur mit einem frischen und minimalistischen Konzept hervor, die im Stande ist, sich in einem modernen Ambiente hervorzuheben.

Cleo 84 - Cleo 84 Mini

Gli articoli della collezione Cleo 84 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Cleo 84 collection are available in the following finishing families:
Die Artikel der Kollektion Cleo 84 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome
Black to White
Matt Luxe
Brushed
Titanium
Matt Golden
Special Outfits
Costiera Amalfitana
Aurora Boreale

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

KLEY 68

ESTETICA E PRATICITÀ

La rigorosità del design squadrato, con linee secche e decise, incontra la pulizia delle forme data dalla posizione laterale della maniglia dove spicca la leva verticale, dettaglio che coniuga estetica e praticità.

AESTHETICS AND PRACTICALITY

The formal square design, with sharp and clear-cut lines, meets the clean shapes created by the laterally placed handle featuring a vertical lever, a detail that combines aesthetics and practicality.

ÄSTHETIK UND PRAKTIKABILITÄT

Die Strenge des quadratischen Designs mit seinen markanten und entschlossenen Linien trifft auf die geraden Konturen, die sich aus der seitlichen Position des Griffs ergeben, wo der vertikale Hebel hervorsticht - ein Detail, das Ästhetik und Zweckmäßigkeit vereint.

lead-free Pb

- I miscelatori lavabo e bidet di questa collezione sono realizzati con ottone lead free. Contenuto di piombo massimo 0,2 %.
- The washbasin and bidet mixers of this collection are produced in lead free brass. Maximum lead content 0,2 %.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind aus bleifreiem Messing gefertigt. Bleigehalt höchstens 0,2 %.

energy saving

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

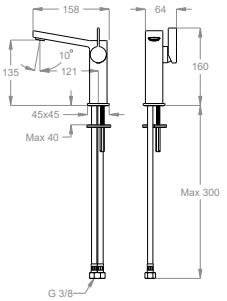

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

KELIO 63

L'ESALTAZIONE VISIVA DELLA RAZIONALITÀ

Angoli decisi e forme squadrate fanno di Kelio 63 l'estremizzazione di un'idea visiva che vuole esaltare il valore della semplicità e della pulizia del design. La rigorosità e la razionalità di questa collezione di rubinetterie, caratterizzate da un elogio delle linee squadrate, la rendono capace di sapersi inserire in maniera naturale in diversi contesti moderni di ambiente bagno.

THE VISUAL ELEVATION OF RATIONALITY

Sharp angles and squared shapes make Kelio 63 the extremity of a visual idea that aims to enhance the value of the simplicity and cleanliness of the design. Thanks to the rigidity and rationality of this tap collection, characterised by a eulogy of squared lines, it blends naturally into many different modern bathroom settings.

DIE VISUELLE BETONUNG DER RATIONALITÄT

Entschlossene Ecken und rechteckige Formen machen aus Kelio 63 das Extrem einer visuellen Vorstellung, die den Wert der Schlichtheit und der Reinheit des Designs betonen will. Die Strenge und die Rationalität dieser Armaturenkollektion, die von rechteckigen Linien geprägt wird, machen sie geeignet, um in verschiedene moderne Kontexte des Badezimmerambientes ganz natürlich integriert zu werden.

lead-free Pb

- I miscelatori lavabo e bidet di questa collezione sono realizzati con ottone lead free. Contenuto di piombo massimo 0,2 %.
- The washbasin and bidet mixers of this collection are produced in lead free brass. Maximum lead content 0,2 %.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind aus bleifreiem Messing gefertigt. Bleigehalt höchstens 0,2 %.

energy saving

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

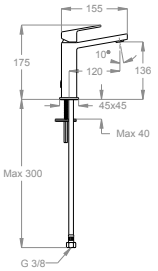

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

DODA 67

UN'ESTETICA DELICATA E UNIVERSALE

Le rubinetterie Doda 67 si esaltano nella gentilezza delle linee, che comunicano un senso di modernità e geometria, dando vita a una collezione di elementi d'arredo trasversali e universali, senza preclusione di contesto. Il corpo cilindrico e la bocca squadrata, rialzata come la maniglia, ne rappresentano l'identità estetica decisa e armonica.

A DELICATE AND UNIVERSAL AESTHETIC

The Doda 67 taps stand out for their soft lines, which communicate a sense of modernity and geometry, giving life to a collection of transversal and universal furnishing elements that can be inserted into any context. The cylindrical body and squared spout, raised like the handle, represent its decisive and harmonious aesthetic identity.

EINE DELIKATE UND UNIVERSALE ÄSTHETIK

Die Armaturen Doda 67 zeigen sich mit weichen Linien, die einen Sinn von Moderne und Geometrie kommunizieren und eine Kollektion mit transversalen und universalen Einrichtungselementen ins Leben rufen, ohne Ausnahme von Kontexten. Der zylindrische Körper und der rechteckige Auslauf, der wie der Griff erhöht ist, repräsentieren die entschlossene und harmonische ästhetische Identität.

lead-free Pb

- I miscelatori lavabo e bidet di questa collezione sono realizzati con ottone lead free. Contenuto di piombo massimo 0,2 %.
- The washbasin and bidet mixers of this collection are produced in lead free brass. Maximum lead content 0,2 %.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind aus bleifreiem Messing gefertigt. Bleigehalt höchstens 0,2 %.

energy saving

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

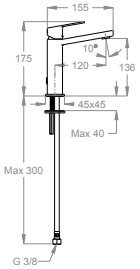

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

SWEET 46

IL SENSO ARMONIOSO DELL'EQUILIBRIO

L'equilibrio è un valore che da sempre racconta un'idea di ordine, serenità ed eleganza. In questa dimensione si colloca la proposta estetica dalla collezione Sweet 46, caratterizzata da linee geometriche pulite, che sposano un design multiforme e trasversale. L'aspetto caratterizzante è il parallelismo tra la maniglia a leva e la bocca di erogazione rettangolari e piatte, che sono abbinate ad un corpo cilindrico.

A HARMONIOUS SENSE OF BALANCE

Balance is a value that has always conveyed order, serenity and elegance. The aesthetic proposal of the Sweet 46 collection draws on this, characterised by the perfect marriage of clean geometric lines and a multifarious, transversal design. The collection stands out for the parallelism between the flat rectangular lever and spout, which are combined with a cylindrical body.

DER HARMONISCHE SINN DES GLEICHGEWICHTS

Das Gleichgewicht ist ein Wert, der schon immer eine Vorstellung von Ordnung, Unbeschwertheit und Eleganz erzählt. Dieser Dimension entspricht der ästhetische Vorschlag der Kollektion Sweet 46, die von sauberen geometrischen Linien geprägt wird, die ein vielförmiges und transversales Design verbinden. Der typische Aspekt ist der Parallelismus zwischen dem rechteckigen und flachen Hebel und Auslauf, die zu einem zylindrischen Körper kombiniert werden.

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

DAILY 44

IL FASCINO DELLA SEMPLICITÀ

Il fascino della semplicità è un valore che accomuna più campi e sa generare stupore nella sua eleganza risolutiva. Il design della collezione Daily 44 si inserisce in questo orizzonte, esaltando un'idea di rubinetto dalle linee decise e pulite, e dalle forme squadrate smussate negli angoli. Una personalità data da un gioco di alternanza tra motivi tondeggianti, come la bocca di erogazione, e squadrati, come il corpo.

THE CHARM OF SIMPLICITY

The charm of simplicity is a value that unites many sectors, and its resolute elegance can arouse amazement. This is the concept of the design of the Daily 44 collection, enhancing the idea of a tap with clean, sharp lines and squared shapes with smooth corners. A personality that comes from the alternating rounded and squared shapes, like those of the spout and body.

DIE FASZINATION DER SCHLICHTHEIT

Die Faszination der Schlichtheit ist ein Wert, den mehrere Bereiche gemeinsam haben und der durch seine entscheidende Eleganz für Erstaunen sorgt. Das Design der Kollektion Daily 44 passt in diesen Horizont und betont eine Armaturenidee mit entschlossenen und sauberen Linien und mit rechteckigen in den Ecken abgerundeten Formen. Die Persönlichkeit entsteht durch ein abwechselndes Spiel von rundlichen (Auslauf) und rechteckigen Formen (Körper).

Daily 44

Gli articoli della collezione Daily 44 sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Daily 44 collection are available in the following finishing families:
Die Artikel der Kollektion Daily 44 sind in den folgenden Ausführungsfamilien lieferbar:

Chrome

Black to White

Matt Luxe

Brushed

Matt Golden

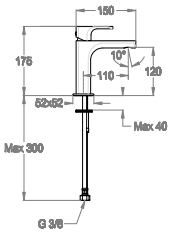

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

DAILY CUBE 45

UNA FINE RAPPRESENTAZIONE DEL CUBO

La collezione Daily Cube 45 prosegue il percorso concettuale intrapreso da Daily 44, nel solco di una collezione di rubinetteria monocomando che gioca con particolari squadrati arrotondati agli angoli, in controtendenza rispetto alle tradizionali linee rigide ultraminimaliste. La caratteristica distintiva sta nella maniglia compatta a forma di cubo, pensata per facilitare l'utilizzo del comando di apertura dell'acqua.

A FINE REPRESENTATION OF THE CUBE

The Daily Cube 45 collection continues the conceptual path undertaken by Daily 44, in the wake of a collection of single lever mixers that plays with squared details and rounded corners, in contrast to the rigid lines of traditional ultra-minimalism. The distinctive feature of this collection is the compact cube-shaped handle, designed to make turning the water on easier.

EINE RAFFINIERTE REPRÄSENTATION DES WÜRFELS

Die Kollektion Daily Cube 45 folgt dem Konzept, das von Daily 44 eingeführt wurde, in einer Einhebelmischer-Kollektion, die mit rechteckigen an den Ecken abgerundeten Details spielt, als Gegentendenz zu den traditionellen, strengen, ultraminimalistischen Linien. Ihre besondere Eigenschaft liegt in dem kompakten Griff in Würfelform; er wurde entwickelt, um die Benutzung des Öffnungshebels des Wassers zu erleichtern.

- I miscelatori lavabo e bidet di questa collezione sono “energy saving” a risparmio idrico, con portata di 6 l/m, e riducono drasticamente i consumi superflui d’acqua.
- The washbasin and bidet mixers of this collection are “energy-saving”, aimed at saving water with a flow rate of 6 l/m, able to optimize and drastically reduce excessive water consumption.
- Die Waschtisch- und Bidetmischer dieser Kollektion sind energie- und wassersparend mit einem Durchfluss von 6 l/min und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

ASTE SALISCENDI E SET DOCCIA

COMODITÀ E FLESSIBILITÀ DI UTILIZZO

La soluzione ideale per avere una doccetta scorrevole da posizionare all'altezza desiderata lungo un'asta, oppure per completare una configurazione doccia che prevede anche un soffione doccia, dei body jet laterali oppure ancora una bocca di erogazione a cascata.

SHOWER RAILS AND SHOWER SETS

COMFORT AND FLEXIBILITY OF USE

The ideal solution for having a sliding hand shower which can be placed at the desired height on a bar, or for completing a shower configuration that also includes a shower head, lateral body jets or a waterfall spout.

DUSCHSTANGEN UND DUSCHSETS

KOMFORT UND FLEXIBILITÄT IN DER ANWENDUNG

Die ideale Lösung, um eine verschiebbare Handbrause auf der gewünschten Höhe einer Stange anzubringen oder um eine Duschkonfiguration komplett zu machen, die auch eine Kopfbrause, Seitenbrausen zur Körpermassage oder auch einen Wasserfall-Auslauf vorsieht.

Aste saliscendi e set doccia

Gli articoli della collezione Aste saliscendi e set doccia sono disponibili nelle famiglie di finiture sotto indicate:
The articles included in Shower slide bars and shower sets collection are available in the following finishing families:
Die Artikel der Kollektion Wandgleitstangen und Brausegarnituren sind in den folgenden Ausführungsfamilien lieferbar:

Chrome
Black to White
Matt Luxe
Brushed
Titanium
Matt Golden
Special Outfits
Costiera Amalfitana
Aurora Boreale

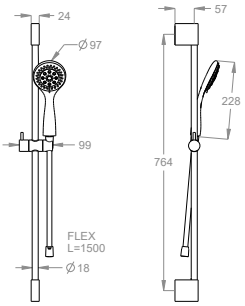

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

- Per gli articoli in finitura Chrome i flessibili sono di serie in PVC di colore grigio. Per gli articoli in finitura White Chalk i flessibili sono di serie in PVC di colore bianco. Per gli articoli nelle altre finiture i flessibili sono di serie in PVC di colore nero. Sono tuttavia disponibili flessibili in ottone con doppia aggraffatura in tutte le finiture (vedi sezione Accessori Rubinetterie).
- For items with Chrome finishing, the hoses are supplied in grey PVC as standard. For items with White Chalk finishing, the hoses are supplied in white PVC as standard. For items in the other finishings, the hoses are supplied in black PVC as standard. However, brass hoses with double crimping are available in all finishings (see Tap Accessories section).
- Bei den Artikeln in Chrom ausführung sind die Schläuche serienmäßig aus grauem PVC. Bei den Artikeln in White Chalk ausführung sind die Schläuche serienmäßig aus weißem PVC. Bei den Artikeln in anderen Ausführungen sind die Schläuche serienmäßig aus schwarzem PVC. Es sind jedoch auch Metallschläuche in allen Ausführungen erhältlich (siehe Abschnitt Armaturenzubehör).

MELROSE 70

ATMOSFERE VINTAGE SENZA TEMPO

L'eco del passato torna in maniera protagonista nella collezione Melrose 70. Le forme tondeggianti e armoniche delle rubinetterie e delle maniglie con inserti in ceramica che riportano le tradizionali "C" per Cold e "H" per Hot contribuiscono a sublimare l'unione tra i tempi andati e quelli presenti.

TIMELESS VINTAGE ATMOSPHERE

An echo of the past returns as the protagonist of the Melrose 70 collection. The round and harmonic shapes of the taps and levers, and the ceramic inserts with the traditional "C" and "H" for Hot and Cold, magnify the blend of past and present.

ZEITLOSE VINTAGE-ATMOSPHÄRE

Das Echo der Vergangenheit wird Protagonist in der Kollektion Melrose 70. Die rundlichen und harmonischen Formen der Armaturen und Griffe mit Keramikeinsätzen, die die traditionellen Buchstaben „C" für Kalt und „H" für Warm tragen, fördern die Verbindung von vergangenen und gegenwärtigen Zeiten.

MELROSE 71

ROMANTICA FUSIONE DI STORIA E MODERNITÀ

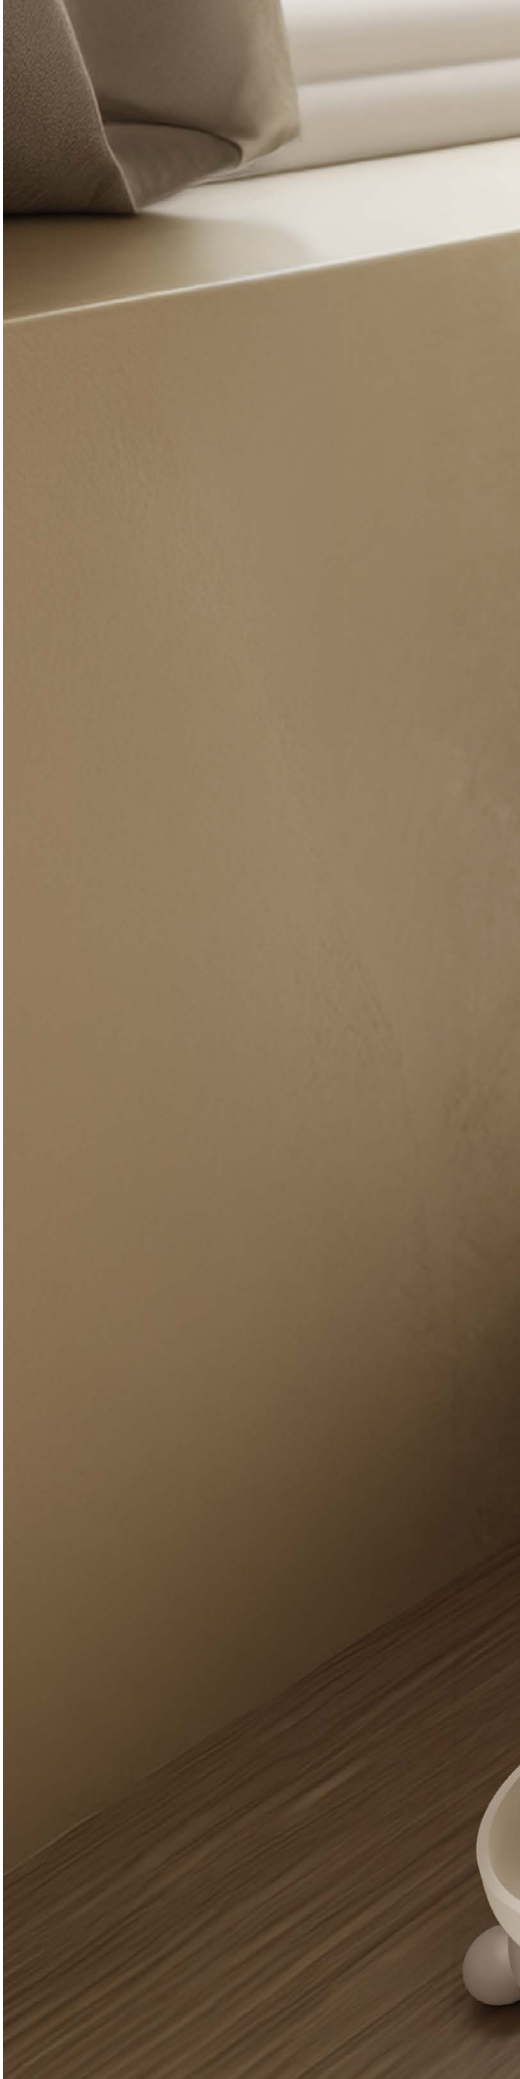

La storia è un concetto ricco di fascino e senza tempo. Nella collezione Melrose 71 si apprezza il connubio tra il romanticismo di uno stile retrò antico e l'amore per rifiniture artigianali dense dei pregi della tecnologia moderna.

A ROMANTIC BLEND OF HISTORIC AND MODERN

The past is a timeless and fascinating concept. The romanticism of an antique retro style combined with a love for artisan finishes, with all the benefits of modern technology, is what makes the Melrose 71 collection so appealing.

ROMANTISCHE VERBINDUNG VON GESCHICHTE UND MODERNE

Die Geschichte ist ein fantasievolles und zeitloses Konzept. In der Kollektion Melrose 71 werden die Romantik eines antiken Retro-Stils und die Liebe zu handwerklichen Bearbeitungen mit den Vorzügen der modernen Technologie kombiniert.

MELROSE 20

IL SAPORE INTRAMONTABILE DELLA CLASSICITÀ

Le rubinetterie bicomando Melrose 20 rappresentano oggetti d'arredo intramontabili, con linee che raccontano una storia che riporta ai primi anni del XX secolo. Le manopole a croce, coerenti esteticamente con il corpo, si caratterizzano per inserti in ceramica che riportano le diciture HOT e COLD.

THE EVERLASTING FLAVOUR OF CLASSICISM

The Melrose 20 two-handle mixer taps are timeless pieces, with lines that convey a story dating back to the early 20th century. The cross-shaped handles, aesthetically in keeping with the body, are characterised by ceramic inserts showing the words HOT and COLD.

DER UNVERGÄNGLICHE GESCHMACK DER KLASSIK

Die Zwegriff-Armaturen Melrose 20 stellen zeitlose Einrichtungsgegenstände dar. Ihre Linien erzählen eine Geschichte, die in die ersten Jahre des XX. Jahrhunderts führt. Die kreuzförmigen Bediengriffe, die ästhetisch mit dem Körper harmonieren, werden durch Keramikeinsätze mit der Beschriftung HOT und COLD gekennzeichnet.

MELROSE 21

L'ELEGANZA COINVOLGENTE DELLA BELLE ÉPOQUE

Con la collezione Melrose 21
si effettua un viaggio nel passato.
Quel sentimento ottimista e positivo
che aveva caratterizzato il periodo della
Belle Epoque nei primi anni del XX secolo
e la sua estetica armoniosa e nostalgica,
rivive nelle forme piene, eleganti
e caratterizzanti delle manopole,
nell'armonia delle linee che percorrono
la bocca di erogazione.

THE COMPELLING ELEGANCE OF THE BELLE ÉPOQUE

The Melrose 21 collection takes you on a journey back in time. The optimistic and positive atmosphere of the Belle Epoque in the early 20th century and its harmonious, nostalgic aesthetics, are revived in the solid, elegant and characteristic shapes of the handles, and in the harmonious lines of the spout.

DIE MITREISSENDE ELEGANZ DER BELLE ÉPOQUE

Mit der Kollektion Melrose 21 begeht man eine Reise in die Vergangenheit. Das optimistische und positive Gefühl, das die Zeit der Belle Époque in den ersten Jahren des XX. Jahrhunderts und ihre harmonische und nostalgische Ästhetik gekennzeichnet hat, lebt in vollen und eleganten Formen, die durch Griffe gekennzeichnet werden, sowie in der Harmonie der Linien des Auslaufs wieder auf.

MELROSE 22

IL SIMBOLO DELLA CLASSE SENZA TEMPO

Nel cuore di una dimensione di respiro storico, con un'ispirazione classica che si allontana dai sentimenti della Belle Epoque, si contestualizzano le rubinetterie Melrose 22. Sono elementi di arredo caratterizzati da motivi tondeggianti nelle maniglie a croce, da forme più moderne, sinuose e morbide nella bocca di erogazione. Peculiarità uniche e senza tempo.

THE SYMBOL OF TIMELESS CLASS

The Melrose 22 taps are designed for more traditional environments, with the emotions of the Belle Epoque giving way to classical inspiration. These furnishing elements are characterised by the rounded motifs of the cross-shaped handles and by the softer, more modern and sinuous shape of the spout. Unique and timeless characteristics.

DAS SYMBOL DES ZEITLOSEN STILS

Die Armaturen Melrose 22 bringen eine historische Dimension mit klassischer Inspiration zum Ausdruck, die sich von den Gefühlen der Belle Époque distanziert. Es handelt sich um Einrichtungselemente, die von rundlichen Motiven in den kreuzförmigen Griffen und von moderneren, gewundenen und weichen Formen im Auslauf gekennzeichnet werden. Einzigartige und zeitlose Besonderheiten.

CANTERBURY 30

IMPECCABILE STILE BRITISH

Lo stile elegante, impeccabile e composto della tradizione anglosassone rivive in questa collezione bicomando dalle linee essenziali e stilizzate. Canterbury 30 reinterpreta i valori dell'estetica Old England dando vita ad elementi d'arredo capaci di creare un'atmosfera calda ed accogliente, che va a percorrere quel sentiero di matrice british che impone di circondarsi di oggetti che si amano.

IMPECCABLE BRITISH STYLE

The elegant and impeccable traditional British style is revived in this two-handle collection with simple and stylised lines. Canterbury 30 reinterprets the values of Old England aesthetics, giving life to furnishing elements that create a warm and welcoming atmosphere, echoing the British matrix of surrounding yourself with objects you love.

UNFEHLBARER BRITISCHER STIL

Der elegante und unfehlbare Stil kommt aus der angelsächsischen Tradition und lebt in dieser Zweigriff-Kollektion mit essentiellen und stilisierten Linien auf. Canterbury 30 gibt den Werten des Old England-Stils eine neue Interpretation und bringt neu Einrichtungselemente hervor, die eine warme und gemütliche Atmosphäre schaffen und genau der britischen Gewohnheit entsprechen, sich mit Gegenständen zu umgeben, die man liebt.

ALISON 33

IL GUSTO DELLA TRADIZIONE

L'Inghilterra di fine Ottocento vive di novità epocali in tutti i settori. Il fascino di queste mutazioni fece crescere un profondo interesse nei rapporti tra modernità e tradizione. Questa dicotomia è la stessa che caratterizza la collezione Alison 33, nelle sue forme sinuose e dolci, nelle sue linee morbide e fluenti e nella sua anima incastonata a metà strada tra classicità e contemporaneità di stampo british.

THE TASTE OF TRADITION

In late-nineteenth century Britain, there were epochal innovations in all sectors. These fascinating changes gave rise to a profound interest in the relationship between modernity and tradition. The Alison 33 collection is characterised by the same dichotomy, with its soft, sinuous shapes, smooth, fluid lines and a soul nestled halfway between classical and contemporary British style.

DER GESCHMACK DER TRADITION

Ende des 19. Jahrhunderts lebt England von epochalen Neuheiten in allen Bereichen. Durch die Faszination dieser Änderungen wächst ein tiefes Interesse für die Beziehung zwischen Moderne und Tradition. Diese Zweiteilung kennzeichnet auch die Kollektion Alison 33 mit ihren gewundenen und sanften Formen, ihren weichen und fließenden Linien und ihrem Charakter, der sich genau in der Mitte zwischen Klassik und Gegenwart im britischen Stil befindet.

DOCCIA CLASSICO

FORME SENZA TEMPO, DI ISPIRAZIONE CLASSICA

La collezione comprende soffioni, colonne doccia e aste saliscendi dallo stile senza tempo, con forme armoniche di ispirazione classica. I soffioni doccia con getto pioggia “rain”, per installazione a parete oppure a soffitto, sono disponibili in due misure, con diametro 200 mm e 300 mm. Le colonne doccia sono disponibili nella versione termostatica, per mantenere costante la temperatura dell’acqua anche in presenza di variazioni di pressione.

CLASSIC SHOWER

TIMELESS SHAPES, CLASSIC-INSPIRED

The collection includes shower heads, shower bars and shower slide bars with a timeless style and harmonious and classic-inspired shapes. The “rain” jet shower heads, wall or ceiling-mounted, are available in two sizes, with a diameter of 200 mm or 300 mm.
The shower bars are available in the thermostatic version, which maintains a constant water temperature even in the presence of pressure variations.

KLASSISCHE DUSCHE

ZEITLOSE FORMEN, KLASSISCH INSPIRIERT

Die Kollektion umfasst Kopfbrausen, Duschkombinationen und Wandgleitstangen im zeitlosen Stil, mit harmonischen, klassisch inspirierten Formen. Kopfbrausen mit Regenstrahl „rain“, für die Wandmontage oder für die Deckenmontage sind erhältlich mit zwei verschiedenen Durchmessern: 200 mm und 300 mm. Die Duschkombinationen sind in der Thermostatversion erhältlich, um die Temperatur des Wassers auch bei Druckschwankungen konstant zu halten.

energy saving

- I soffioni doccia di questa collezione sono “energy saving” a risparmio idrico, con portata limitata a seconda del modello, e riducono drasticamente i consumi superflui d’acqua.
- The shower heads of this collection are “energy-saving”, aimed at saving water with a limited flow rate according to the model, able to optimize and drastically reduce excessive water consumption.
- Die Kopfbrausen dieser Kollektion sind energie- und wassersparend mit einer je nach Modell begrenzten Durchflussmenge und reduzieren somit den unnötigen Wasserverbrauch drastisch.

CUCINA

SEMPLICI ED ESSENZIALI

In cucina il design Fir Italia dà vita a una collezione di rubinetti per lavello con bocca girevole e più funzioni, per adeguarsi a ogni esigenza mantenendo un utilizzo confortevole. La variante con doccetta estraibile facilita la pulizia del lavello e risulta particolarmente adatta al riempimento di bacinelle o pentole.

KITCHEN

SIMPLE AND ESSENTIAL

In the kitchen the design of Fir Italia gives life to a collection of kitchen sink taps available with a traditional or side handle, with swivel water spout, and several functions in order to adapt to every need while maintaining a comfortable use. The version with pull-out shower makes easier to clean the sink and fill buckets or pans with water.

KÜCHE

EINFACH UND ESSENTIELL

Cleo und Spring sind Kollektionen von Spültisch-Einhebelmischern in einfachem und essentiellen Design mit Schwenkauslauf und mehreren Funktionen, die sich nach den jeweiligen Bedürfnissen richten und eine komfortable Nutzung erlauben. Die Variante mit der ausziehbaren Schlupfbrause erleichtert das Reinigen des Beckens und eignet sich hervorragend zum Befüllen von Schüsseln und Töpfen.

CONDIZIONI GENERALI DI VENDITA

GENERAL SALE CONDITIONS

ALLGEMEINE FIR-VERKAUFS- UND LIEFERUNGSBEDINGUNGEN

ITA

1. ACCETTAZIONE DELLE CONDIZIONI - Le nostre forniture vengono effettuate esclusivamente alle seguenti condizioni, che s'intendono accettate dal committente con il conferimento dell'ordine, della commissione o col ricevimento delle nostre conferme d'ordine o delle nostre fatture. Altre condizioni, ovvero accordi verbali di qualsiasi genere, si ritengono validi soltanto se da noi confermate espressamente per iscritto. 2. PREZZI - I prezzi sono in Euro per le vendite in Italia: per le vendite all'estero i prezzi sono in Euro o U.S. - Dollari o, a nostra scelta, nella valuta del paese compratore. Il prezzo indicato nell'ordine, nella commissione o nella conferma può essere da noi variato in qualunque momento qualora si verifichino prima della consegna aumenti nei costi delle materie prime e/o della mano d'opera e in proporzione a tali aumenti. L'I.V.A. è a carico del committente per le vendite in italia ed è esclusa per le vendite all'estero. Per ordini di valore netto inferiore a Euro 2.600 (od equivalente in valuta estera) viene applicato un aumento del 10%. Per ordini di valore netto inferiore a Euro 5.200 (od equivalente in valuta estera) viene applicato un aumento del 5%. 3. IRREVOCABILITÀ DELL'ORDINE - AGENTE - L'ordine di acquisto del cliente è irrevocabile. Qualsiasi ordine acquisito da Agenti di FIR ITALIA si intende ricevuto "SALVO NOSTRA APPROVAZIONE". 4. SPEDIZIONE E SPESE DI TRASPORTO - La fornitura della merce si intende franco nostro stabilimento. La spedizione viene eseguita secondo le disposizioni dell'ordinante; in mancanza di queste, col mezzo da noi ritenuto più idoneo. Su espressa richiesta scritta del cliente, la merce può venire assicurata a sue spese, salvo diversi accordi scritti. 5. PERDITE E DANNI DI TRASPORTO - La merce, anche se resa franco destino, viaggia a rischio e pericolo del committente. Eventuali perdite o avarie devono essere contestate al vettore all'atto del ricevimento. 6. RECLAMI - Il controllo della quantità della merce e della rispondenza agli articoli ordinati deve essere fatto all'atto del ricevimento; eventuali reclami devono essere comunicati a mezzo lettera raccomandata entro 8 (otto) giorni dal ricevimento stesso, a pena di decadenza. 7. OBBLIGO DI CONSEGNA - FIR ITALIA si libera dall'obbligo della consegna rimettendo la merce al vettore od allo spedizioniere. É nostra consuetudine indicare dei termini di consegna che si avvicinino il più possibile alla realtà. Naturalmente tali indicazioni non sono impegnative, ma si avrà però cura di osservarle al massimo, salvo casi di forza maggiore o altri impedimenti a noi non imputabili. Per casi di forza maggiore si intendono anche le avarie delle macchine per

ENG

1. ACCEPTANCE OF THE CONDITIONS - All orders accepted by FIR ITALIA are subject to the general sale conditions herein set forth, which are understood accepted by the Purchaser when passing the order and/or upon receipt of FIR ITALIA invoices. Other conditions as well as any verbal agreement are considered valid only if specifically confirmed by FIR ITALIA in writing. 2. PRICES - FIR ITALIA prices are Euro for sales on the Italian Market, while for sales outside Italy prices are quoted in Euro or USDollars or, at FIR ITALIA choice, in the currency of the Purchaser's Country. The prices stated on the purchase order and/or on FIR ITALIA order aknowledgements may be changed by FIR ITALIA at any time and proportionally, whenever increases of cost of raw materials and/or cost of labour take place before delivery time. V.A.T. is included for the italian market and excluded the foreign market. For orders less than Euro 2.600, net amount, (or equivalent net amount in currency) FIR ITALIA will calculate an increase of 10% (tenpercent). For orders less than Euro 5.200, net amount, (or equivalent net amount in currency) FIR ITALIA will calculate an increase of 5% (fivepercent). 3. IRREVOCABILITY OF THE ORDER - AGENT - The purchase order of the Customer is irrevocable. Any order taken by any of FIR ITALIA Agents or any territory is meant "subject to FIR final approval and acceptance". 4. SHIPMENT AND FREIGHT EXPENSES - All orders are delivered ex FIR ITALIA factory. The shipment will be carried out according to Purchaser's instructions or, failing instructions, in the way FIR ITALIA will consider more appropriate. Only on Purchaser's written request insurance will be taken out by FIR ITALIA and all charges will be paid by the Customer. Possible derogations require a written agreement. 5. LOSSES AND TRANSPORT DAMAGES - The goods, even sold free destination, travel at Buyer's risk. Any damage or loss during the transport must be promptly notified to the carrier or shipping agent upon receipt of the goods. 6. CLAIMS - The control of quantities and the correspondence to the purchased items must be done upon receipt of the goods; eventual claims must be notified by registered letter within 8 (eight) days from receipt date, otherwise any right will be forfeited. 7. DELIVERY OBLIGATION - FIR ITALIA supply responsibility is understood completed and terminates upon delivery of the goods to the carrier or shipping company. It is FIR ITALIA rule to indicate delivery terms as true as possible. Of course these terms do not constitute a binding obligation for FIR ITALIA, but FIR ITALIA will do its best to keep them with exception of accidents or other events

DEU

1. ANNAHME DER BEDINGUNGEN - Die FIR ITALIA Lieferungen werden ausschließlich unter folgenden Bedingungen durchgeführt, die der Auftraggeber mit der Erteilung des Auftrages, der Bestellung oder dem Erhalt der FIR ITALIA Auftragsbestätigungen oder FIR ITALIA Rechnungen annimmt. Andere Bedingungen oder auch mündliche Vereinbarungen jeder Art haben nur dann Gültigkeit, wenn sie von FIR ITALIA ausdrücklich schriftlich bestätigt wurden. 2. PREISE - Die Preise verstehen sich in Euro, in USDollars oder in der von FIR ITALIA vorgezogenen Währung. Die im Auftrag, in der Bestellung, in der Auftragsbestätigung angegebenen Preise können von FIR ITALIA jederzeit proportionell zu den anteiligen Material- und Lohnkosten erhöht werden, wenn sich vor Auslieferung wesentliche Materal- oder Lohnkostensteigerungen ergeben haben sollten. Für den italienischen Markt ist die Merkwertsteuer eingerechtet während für den ausländischen Markt ist nicht einschließlich. Für Aufträge unter Euro 2.600 (oder entsprechenden Betrag in der ausländischen Währung) wird ein Aufschlag von 10% (zehnProzent) durchgeführt. Für Aufträge unter Euro 5.200(oder entsprechenden Betrag in der ausländischen Währung) wird ein Aufschlag von 5% (fünfProzent) durchgeführt. 3. UNWIDERRUFLICHE BESTELLUNG - VERTRETER - Die vom Auftraggeber erteilten Bestellungen sind unwiderruflich. Jeder vom zuständigen Getriebsvertreter entgegenommene Auftrag versteht sich "unter Vorbehalt der FIR ITALIA Genehmigung". 4. VERSAND UND TRANSPORTSPESEN - Die Lieferung der FIR ITALIA Waren erfolgt frei FIR ITALIA Werk. Der Versand erfolgt nach den Vorschriften des Auftraggebers; sollten diese fehlen, versendet FIR ITALIA die Ware auf dem von FIR ITALIA gewählten besten Wege. Auf ausdrückliche schriftliche Anfrage des Kunden kann die Ware zu seinen Lasten versichert werden. Unter Vorbehalt anderer, schriftlicher Vereinbarungen. 5. VERLUST UND TRANSPORTSCHÄDEN - Die Ware, auch wenn sie frei Bestimmungsort geliefert werden sollte, reist auf Gefahr und Risiko des Auftraggebers. Eventuellle Verluste oder Beschädigungen müßen dem Transportunternehmen bei Erhalt der Sendung gemeldet werden. 6. REKLAMATIONEN - Die Mengekontrolle der Ware und deren Übereinstimmung mit den bestellten Artikeln muß bei Erhalt der Ware durchgeführt werden; eventuelle Reklamationen müßen innerhalb 8 (acht) Tagen nach Erhalt der Ware per Einschreibebrief gemeldet werden. Später gemachte Meldungen werden nicht berücksichtig. 7. LIEFERUNGSVERPFLICHTUNG - FIR ITALIA wird mit der Übergabe der Ware an das Transportunternehmen oder den Spediteur von Ihrer Lieferungsverplichtung befreit. Es ist FIR ITALIA Gewohnheit, Liefertermine

la lavorazione, la totale o parziale chiusura delle nostre fabbriche, scioperi, incendi, esplosioni, sabotaggi, mobilitazioni, guerre, l'entrata in vigore di divieti e limitazioni d'esportazione o d'importazione, un considerevole aumento delle spese d'importazione, modifiche dei cambi, etc. La mancata osservanza da parte nostra dei termini di consegna indicati non dà diritto al cliente di annullare l'ordine, differire pagamenti scaduti o in scadenza, reclamare indennizzi, compensi o danni di sorta. 8. PAGAMENTO - Sono validi e liberatori soltanto i pagamenti eseguiti direttamente nelle nostre casse presso la nostra Sede amministrativa e contro rilascio di regolare quietanza. Ogni altro pagamento comunque effettuato è del tutto a rischio, pericolo e spese del cliente. Vengono considerati liberatori soltanto i pagamenti fatti in valuta legale, netti di ogni sconto od arrotondamento ed alle epoche segnate nelle fatture. In casi particolari ci riserviamo di acconsentire al rilascio di cambiali. Il rilascio fattoci di cambiali ed assegni o di altri titoli equipollenti non estingue il debito finchè non si verifichi l'accredito degli importi dei titoli stessi sul nostro conto in banca. Pagamenti con effetto liberatorio possono essere effettuati ai nostri Agenti soltanto se questi possono produrre una delega scritta valida per l'anno calendario in corso. La concessione di un eventuale sconto cassa presuppone che sul conto dell'acquirente non vi siano importi scoperti per forniture precedenti. 9. RITARDI NEI PAGAMENTI - In ogni caso di ritardo nei pagamenti, saranno applicati, sulle somme dovuteci, gli interessi di mora, senza bisogno di diffida particolare e con la perdita del beneficio del termine (art. 1186 cod.civ.). Trascorsi 10 giorni dalla data di scadenza del pagamento concordato, senza che sia pervenuto il saldo, sarà inoltre nostra facoltà emettere a carico del cliente tratte a vista per l'importo dovutoci, maggiorato degli interessi di mora di cui sopra. Saranno a carico del cliente tutte le spese per l'acquisizione ed emissione dei titoli e le spese bancarie. Ci riserviamo infine di sospendere la consegna qualora i pagamenti dovuti dal cliente non siano effettuati nei termini pattuiti. 10. GARANZIA - FIR ITALIA garantisce, alle condizioni e nei limiti indicati di seguito, tutti i suoi prodotti (o parte di essi) a decorrere dalla data dell'acquisto, per la durata di: - 5 anni per difetti di fusione; - 5 anni per difetti su cartucce a dischi ceramici e vitoni; - 2 anni per difetti su cartucce termostatiche; - 5 anni per difetti di cromatura; - 5 anni per tutte le altre finiture diverse dalla cromatura. Si ricorda che la Garanzia FIR ITALIA sulle finiture decade nel momento in cui manutenzione e pulizia non vengano effettuate in modo adeguato e continuativo. MODALITÁ Gli eventuali reclami dovranno essere presentati per iscritto esclusivamente a FIR ITALIA e/o al distributore/ rivenditore autorizzato FIR ITALIA presso il quale è stato acquistato il prodotto, entro il periodo di garanzia sopra indicato e comunque, a pena di decadenza, entro 8 (otto) giorni dalla scoperta. Nell'eventualità di reclami scritti dovrà essere riportata la fattura originale o ricevuta fiscale comprovante l'acquisto (contenente tra l'altro nome e indirizzo del venditore, data di acquisto, modello e numero di serie del prodotto acquistato), e indicato il tipo di difetto riscontrato. L'Ufficio Customer Service FIR ITALIA provvederà a evadere il reclamo nel minor tempo possibile e nella seguente

and causes beyond FIR ITALIA control, including also manufacturing equipment breakdowns, partial or total shut-down of FIR plants, strikes, fire, explosions, acts of sabotage, mobilization, wars, entering into effect of export and import prohibitions or restrictions, a considerable increase of import expenses, changes and modifications of currency value and so on. The non-observance from FIR of delivery terms does not give the Purchaser the right for cancelling the order and furthermore the Customer is not authorized to delay payments (overdue or at maturity) and is not entitled to any rembursement or indemnity. 8. PAYMENT TERMS - Payments are considered valid and releasing from the obligation only if made out to FIR ITALIA, at its Administration Office and against regular receipt. Any other way of payment is always done at Customer's risk and expenses. Payments are releasing only if made in legal currency, net of any discount and reduction and effected on maturity, as stated on FIR ITALIA invoices. In special cases FIR ITALIA reserves to give consent to draft issuing. The remittance of drafts, checks or equivalent does not release the obligation until the relevant amounts are credited on FIR ITALIA Bank account. Payments with releasing effect may be handed over to FIR ITALIA agents only if they are holding a written proxy valid for the current year. Any eventual cash discount will be recognized, provided all previous invoices have been paid off by the Customer. Possible derogations require a written agreement. 9. DELAYS OF PAYMENT - For any delayed payment FIR ITALIA reserves the right to charge interests, without need of any special previous notice and without prejudicing FIR ITALIA rights to collect its credit. If payment has not been effected, 10 (ten) days after the date of maturity, FIR ITALIA has the option to issue drafts on the Customer to balance the unpaid amounts adding the above mentioned interests. FIR ITALIA will charge the Customer for the cost of draft issuing as well as relevant Bank expenses. Furthermore FIR ITALIA reserves the right to stop deliveries or cancel orders already accepted, when payments are not made within the fixed terms. 10. GUARANTEE - FIR ITALIA guarantees all its products (or part of them) at the terms and conditions and within the limits set forth here below, as of the date of purchase, for a period of: - 5 years against casting defects; - 5 years against defects in cartridges with ceramic discs and bolts; - 2 years against defects in thermostatic cartridges; - 5 years against chrome-plating defects; - 5 years for all finish types other than chrome-plating. We remind you that in case maintenance and neatness are not properly and regularly carried out, FIR ITALIA guarantee concerning the finishings will be no longer valid. MODALITIES Any claims should be notified in written exclusively to FIR ITALIA and/or the FIR ITALIA authorised distributor/ dealer where the product was purchased, within the guarantee period mentioned above and, in all cases, not later than 8 (eight) days from discovery of the fault under pain of nullity. All written claims should include the original invoice or fiscal receipt confirming the purchase (among other things, it should bear the seller's name and address, the date of purchase, and the model and serial number of the purchased item). The type of defect detected should also be clearly stated. The FIR ITALIA Customer Service shall deal with the claim in the shortest possible delay and will: -

möglicherweise anzugeben, die sich der Realität herannähern. Selbstverständlich sind diese Angaben nicht verbindlich aber es wird von FIR ITALIA Seite alles getan werden, die angegebenen Liefertermine, mit Ausnahme in Fällen der höheren Gewalt oder ohne FIR ITALIA Schuld verursachten Fällen, einzuhalten. Unter dem Begriff der höheren Gewalt versteht sich auch der Ausfall beschädigter Werkzeugmaschinen, die totale oder teilweise Schließung der FIR ITALIA Werkstätten, Streiks, Brände, Explosionen, Sabotagen, Mobilmachungen, Krige, das Inkrafttreten von Ein- und Ausfuhr-Verboten oder -Beschränkungen, eine beachtliche Erhöhung der Importspesen, Änderungen der Valuta-Wechselkurse u.s.w. Die Nichtbeachtung von FIR ITALIA Seite der angegebenen Lieferfristen gibt dem Auftraggeber nicht das Recht, den bereits erteilten Auftrag zu stornieren, verfallene oder vor dem Verfall stehenden Zahlungsfristen aufzuschieben, Schadenersatz, Entschädigungen oder jeglichen anderen Schadenausgleich zu fordern. 8. ZAHLUNGEN - Gültig und befreiend sind nur Zahlungen, die direkt in FIR ITALIA Kassen am Verwaltungssitz gegen Aushändigung einer regulären Quittung geleistet werden. Jede andere Zahlungsart, gleichwie durchgeführt, erfolgt auf Risiko und Gefahr und Kosten des Kunden. Befreiende gelten außerdem nur Zahlungen, die in der gültigen Landeswährung geleistet werden, und zwar rein netto von Skonto oder Abrundungen und zu den in der Rechnung genannten Terminen. In besonderen Fällen behaltet FIR ITALIA sich das Recht vor, Wechsel anzunehmen. Die Annahme von Wechseln und Schecks oder anderen gleichwertigen Papieren tilgt die Schuld nicht, solange alle auf den Papieren genannten Beträge auf FIR ITALIA Bankkonto gutgeschrieben werden. Zahlungen mit befreiender Wirkung können an FIR ITALIA Vertreter nur dann geleistet werden, wenn der Vertreter eine für das laufende Kalenderjahr gültige Inkasso-Vollmacht vorweisen kann. Die Gewährung eines Kassaskontos setzt voraus, daß auf dem Konto des Käufers keine fälligen Beträge für vorher durchgeführte Lieferungen offenstehen. 9. ZAHLUNGSVERZÜGE - Für bei FIR ITALIA mit Verspätung eingehende Zahlungen behaltet sich FIR das Recht vor, Verzugszinsen, beginnend am Tage nach Verfallsdatum, ohne besondere Mahnung und ohne dadurch die Eintreibbarkeit des Kredites beeinträchtigt sei (ART. 1186 Cod. Civ.) FIR ITALIA behaltet sich das Recht vor, nach 10 Tage Verspätung Sichttratten zur Deckung der unbezahlten Rechnungen mehr entsprechende Verzugszinsen auszustellen, auch wenn diese Tratten nicht ausdrücklich autorisiert wurden. Sämtliche Spesen und Gebühren für die Ausstellung der Papiere sowie die Bankspesen gehen zu Lasten des Kunden. Schließlich behaltet FIR ITALIA sich das Recht vor, sollten die Zahlungen nicht zu den vereinbarten Terminen durchgeführt worden sein, die Auslieferung auch von eventuell bereits bestätigten Ware auszuheben. 10. GARANTIE - FIR ITALIA garantiert unter den folgenden Bedingungen und Beschränkungen, dass ihre Erzeugnisse (oder Teile von ihnen) ab dem Kaufdatum für eine Zeit von: - 5 Jahren für Gussdefekte - 5 Jahre für Defekte auf den Kartuschen mit keramischen Scheiben und Schrauben - 2 Jahre für Defekte auf thermostatischen Kartuschen - 5 Jahren für Verchromungsdefekte - 5 Jahre für alle nicht verchromten Ausführungen Es wird darauf hingewiesen, das die Garantie FIR ITALIA auf die Feinverarbeitung dann verfällt, wenn die Instandhaltung und die Reinigung nicht angemessen und stetig durchgeführt wird. VORGANGSWEISE Reklamen müssen innerhalb

modalità: - verifica dei requisiti sopra citati; - verifica del tipo di reclamo; - comunicazione scritta da parte di FIR ITALIA che autorizza l'eventuale restituzione del prodotto difettoso (o di parte di esso), reso in porto assegnato unitamente al documento fiscale. La restituzione del materiale avverrà in porto franco. E comunque comunicazione scritta da parte di FIR ITALIA in merito a come procedere. La garanzia relativa ai prodotti non installati verrà riconosciuta, salvo quanto detto nei tre punti sopra citati, solo nel caso in cui l'articolo venga restituito a FIR ITALIA in confezione originale allegando il documento fiscale. DECADENZA DELLA GARANZIA La garanzia decade nei casi di: - mancanza di fattura originale o ricevuta fiscale comprovante l'acquisto (contenente tra l'altro nome e indirizzo del venditore, data di acquisto, modello e numero di serie del prodotto acquistato); - reclami presentati oltre al periodo di garanzia e comunque oltre gli 8 giorni dalla scoperta; qualora si tratti di difetti visibili ed «apparenti» (quali ad esempio le finiture, i trattamenti delle superfici cromate, colorate, dorate o comunque trattate, e tutto ciò che è immediatamente visibile) il termine di decadenza di giorni 8 (otto) decorre dalla data di ricezione della merce; - errata o inadeguata installazione del prodotto; - errato uso e utilizzo del prodotto; - errata manutenzione del prodotto, non conforme alle raccomandazioni presenti nella sezione pulizia e manutenzione. In particolare modo, per quanto riguarda la garanzia per difetti sulle superfici cromate e su tutte le altre finiture, qui richiamiamo la condizione essenziale di una manutenzione quotidiana ed eseguita esclusivamente con panno morbido e acqua, e di non rimandare mai l'asciugatura di eventuali gocce o depositi di acqua sul prodotto. - presenza di agenti chimici, elettrochimici o elettronici e comunque di normale uso, deterioramento o usura del prodotto stesso; - interventi, riparazioni o modifiche dei prodotti effettuati dal consumatore finale o da soggetti terzi a ciò non espressamente autorizzati, fatta eccezione per la normale manutenzione da effettuarsi, come da indicazioni, a cura del consumatore finale; - trasporto della merce. La merce, anche se resa franco destino, viaggia a rischio del consumatore; eventuali perdite e avarie dovranno quindi essere notificate al vettore per iscritto, all'atto del ricevimento della merce, sulla bolletta di spedizione. LIMITI/ ESCLUSIONI DELLA GARANZIA Le prestazioni di garanzia saranno fornite da FIR ITALIA con riserva di successivo controllo qualitativo da parte del Reparto Controllo Qualità. Le parti eventualmente sostituite rimarranno di proprietà esclusiva di FIR ITALIA. FIR ITALIA potrà rifiutare la prestazione della garanzia ove l'utente non abbia correttamente adempiuto alle obbligazioni poste a suo carico. La garanzia FIR ITALIA non è rinnovabile. La presente garanzia è rilasciata esclusivamente per la riparazione e/o sostituzione delle parti eventualmente difettose e non soggette a usura. La garanzia è comunque limitata al prezzo della parte difettosa, stabilito da FIR ITALIA nei propri listini. Sono esclusi i riconoscimenti per montaggio o smontaggio del prodotto. La presente garanzia non pregiudica né riduce i

check whether the above mentioned requirements were met; - check the claim type; - issue a written notice by FIR ITALIA possibly authorising return of the faulty product (or part of it) carriage unpaid, together with the fiscal document. Items shall be returned free of charge. In any case, the FIR ITALIA written notice will clearly explain how to proceed. Except that stated in the three points above, the guarantee for products not installed shall cover only items returned to FIR ITALIA in their original packaging together with the relevant fiscal documents. REVOCATION OF GUARANTEE The guarantee shall be void in the following cases: - if the original invoice or fiscal receipt confirming the purchase (and bearing, among other things, the seller's name and address, the date of purchase, the model and serial number of the purchased item) are missing; - if the claims are notified after expiry of the guarantee period and, in any case, in excess of 8 days from discovery; in case of visible and manifest faults (such as defective finishing or defective chromed, coloured, gilded or anyhow treated surfaces, and all that is immediately visible) the 8-day period prior to revocation of guarantee shall start from the day when goods are received; - wrong or inadequate installation of the product; - wrong use and operation of the product; - wrong care of the product, not consistent with the directions given in the chapter detailing cleaning and care procedures. As far as defects to chromed surfaces and all other finish types are concerned, we remind the essential requirement of wiping the product every day exclusively using a soft cloth and water and of immediately drying any drops or water build-ups; - presence of chemicals, electro-chemicals and/or electronic products and in case of deterioration or wear of the product in question following normal use; - works, repairs or changes on the products carried out either by the End User or by third parties not expressly authorised to do so, to the exception of ordinary care that is to be carried out by the End User in accordance with the directions provided; - transport of goods. Goods, even if delivered carriage free, are shipped at the consumer's risk; any losses or damages should be notified to the carrier in written on the carriage note upon reception of goods. LIMITS/EXCLUSIONS OF THE GUARANTEE FIR ITALIA will provide the services guaranteed under reserve of having a quality check carried out by its Quality Control Department at a later time. All parts replaced, if any, shall be sole property of FIR ITALIA. Should the user fail to duly fulfil its obligations, FIR ITALIA may refuse to provide the services guaranteed. The FIR ITALIA guarantee shall not be renewed. This guarantee shall only cover repair and/or replacement of any faulty parts and parts not subject to wear. In any case, this guarantee is limited to the price of the faulty part as established by FIR ITALIA in its price lists. Product assembly or disassembly are not included. This guarantee shall not affect or impair the mandatory rights to which the End User is entitled according to the law, or any other right arising from other contracts between the End User and FIR ITALIA. This conventional guarantee is not prejudicial to the rights established by the Italian Legislative

der oben angeführten Garantiezeit bzw. innerhalb von 8 (acht) Tagen nach Feststellung schriftlich an FIR ITALIA und/oder dem von FIR ITALIA befugten Vertreiber/Händler, bei dem das Erzeugnis erworben wurde, gerichtet werden. In schriftliche Reklamen müssen als Kaufnachweis die Originalrechnung oder der Kassenbeleg (mit Namen und Adresse des Verkäufers, Kaufdatum, Modell und Seriennummer des erworbenen Produkts) und der festgestellte Mangel angegeben sein. Die FIR ITALIA Kundendienstabteilung wird die Reklame so schnell wie möglich auf die folgende Weise bearbeiten: - Kontrolle der oben genannten Bedingungen - Überprüfung der Art der Reklame - Schriftliche Mitteilung der FIR ITALIA mit der Genehmigung für die Rückerstattung des defekten Produkts (oder eines Teils) gegen Nachname mit dem Kassenbeleg. Die Rückerstattung des Materials erfolgt frei Haus. Es erfolgt in jedem Fall eine schriftliche Mitteilung vonseiten der FIR ITALIA über die Vorgangsweise. Die Garantie über nicht installierte Produkte wird außer in den drei oben angeführten Fällen nur dann anerkannt, wenn der Artikel FIR ITALIA original verpackt mit Kassenbeleg rückerstattet wird. GARANTIEVERFALL Die Garantie verfällt in den folgenden Fällen: - Bei fehlender Originalrechnung oder fehlendem Originalkaufbeleg (mit Namen und Adresse des Verkäufers, Kaufdatum, Modell und Seriennummer des erworbenen Produkts) - Reklamen nach Ablauf der Garantiezeit und später als 8 Tage nach der Entdeckung des Mangels. Bei sichtbaren und „offensichtlichen« Defekten (z.B. Ausführungen, Behandlungen der verchromten, farbigen, vergoldeten oder behandelten Oberflächen und sofort sichtbaren Mängeln) beginnt die 8-Tagesfrist (acht) ab dem Empfang der Waren. - Falsche oder unsachgemäße Installation des Produkts - Falscher Gebrauch und falsche Benutzung des Produkts - Falsche Wartung des Produkts, die nicht den Empfehlungen im Abschnitt Reinigung und Wartung entspricht Insbesondere die Garantie für Mängel auf verchromten Oberflächen und alle anderen Ausführungen erfordert tägliche Instandhaltungsarbeiten, die ausschließlich mit einem weichen Tuch und Wasser durchgeführt werden dürfen. Tropfen und Wasserrückstände auf dem Produkt müssen immer sofort entfernt werden. - Chemikalien, elektrochemische oder elektronische Wirkstoffe, normaler Gebrauch, Beschädigung oder Verschleiß des Produkts - Eingriffe, Reparaturen oder Änderungen am Produkt vonseiten des Endbenutzers oder von Dritten, die nicht ausdrücklich genehmigt wurden. Ausgenommen davon sind normale Wartungsarbeiten nach den Anweisungen vonseiten des Endverbrauchers. - Transport der Waren Auch wenn die Waren frei Bestimmungsort rückerstattet werden, werden sie auf Gefahr des Verbrauchers versandt. Leckagen und Störungen müssen dem Transporteur schriftlich beim Empfang der Waren auf dem Versanddokument mitgeteilt werden. GARANTIELIMITS/ AUSSCHLUSS Die Garantieleistungen werden von FIR ITALIA mit darauf folgender Qualitätskontrolle vonseiten der Qualitätsabteilung geleistet. Ersetzte Teile bleiben im alleinigen Besitz der FIR ITALIA. FIR ITALIA kann Garantieleistungen ablehnen, wenn der Benutzer den Verpflichtungen zu seinen Lasten nicht korrekt nachgekommen ist. Die Garantie von FIR ITALIA ist nicht erneuerbar. Die

diritti inderogabili di cui il consumatore finale gode per legge, né qualsiasi altro diritto che sia sorto a seguito di altri contratti tra il consumatore finale e FIR ITALIA. La presente garanzia convenzionale lascia impregiudicati i diritti previsti dal d.lgs 02/02/02 n.24. Attuazione della direttiva 1999/44/CE su taluni aspetti della vendita e delle garanzie di consumo. 11. RESTITUZIONI DI MERCI ED ANNULLAMENTO DI ORDINI - La restituzione di merci fornite o l'annullamento di ordinazione, anche se non ancora eseguite, possono avvenire soltanto col nostro consenso scritto. Per tutti i ritorni di merce, anche se da noi autorizzati, viene addebitato al cliente il 20% (venti percento) dell'importo per spese d'ufficio e di magazzino (lavorazione). 12. MODELLI E DISEGNI - I modelli, i disegni ed i progetti rimangono di nostra proprietà. Non è permesso riprodurli, utilizzarli o cederli a terzi senza nostra espressa autorizzazione scritta. Le riproduzioni stesse sui nostri cataloghi e dèpliants e i dati tecnici contenuti nei nostri listini si intendono meramente indicativi e soggetti a modificazioni a nostro esclusivo giudizio: pertanto non assumiamo responsabilità per eventuali diversità di qualsiasi genere. 13. RISERVATO DOMINIO - La merce fornita rimane di esclusiva proprietà di FIR ITALIA fino al pagamento totale del prezzo convenuto e di qualsiasi onere accessorio. Per l'ipotesi che il cliente rivenda la merce da noi fornita, egli cede a noi, fin d'ora, tutti i suoi diritti nei confronti dei suoi clienti derivanti dalla rivendita, e ciò fino alla completa estinzione di tutti i nostri crediti verso di lui. A nostra richiesta, egli dovrà notificare la cessione al compratore suo cliente e fornirci tutte le informazioni necessarie per permetterci di far valere i diritti a noi ceduti, mettendo a nostra disposizione le necessarie documentazioni. Se il valore dei diritti a noi ceduti supera i nostri crediti, noi saremo tenuti, ad incasso avvenuto, a mettere a disposizione del nostro cliente, quanto avanzerà dopo avere trattenuto l'ammontare dei nostri crediti e delle nostre spese. 14. IL FORO COMPETENTE - Per ogni controversia il Foro di competenza esclusiva è quello di Milano e la legge che regola i rapporti di cui è parte FIR ITALIA è quella italiana. Valgono le condizioni generali di vendita riportate sul retro delle nostre fatture.

Decree no. 24 of 02/02/02 implementing Directive 1999/44/EC on certain aspects of the sale of consumer goods and associated guarantees. 11. RETURN OF GOODS AND CANCELLING OF ORDERS - Under no circumstances will FIR ITALIA accept the return of supplied goods or order deletions, even if not yet shipped from the factory, without its express prior written permission; for every return, even if authorized by FIR ITALIA, FIR ITALIA will charge the Customer 20% (twentypercent) of the value for handling expenses (office and warehousing). 12. MODELS AND DRAWINGS - All models, drawings and plans are FIR ITALIA Property. Their reproduction, use or transfer is prohibited without FIR ITALIA prior written authorization. The photos and drawings on FIR ITALIA catalogues and brochures and the technical information on FIR ITALIA price lists are approximate and subject to modifications at FIR ITALIA exclusive judgement; therefore FIR ITALIA undertakes no liability for probable differences of any kind. 13. PROPERTY RIGHTS - All supplied goods are considered FIR ITALIA Property until the whole amount due to FIR ITALIA, including any other relevant cost, is paid off. On the assumption the Customer will eventually sell the purchased goods, he transfers to FIR ITALIA, from now on, his rights towards his Customers coming from such sale and that till all FIR ITALIA credits will be completely paid off. On FIR ITALIA request he will have to notify his Customers such transfer of rights and give FIR ITALIA all necessary information to allow FIR ITALIA to vindicate the assigned rights and leave all necessary documents at FIR ITALIA disposition. If the value of the transferred rights is higher than FIR ITALIA credits, then FIR ITALIA will be obliged, after collection, to give its Customer whatever the difference will be, after keeping the amounts of its credits and its expenses. 14. PLACE OF JURISDICTION - For any dispute that might arise under these terms and conditions the one and only qualified Authority will be the Court of MILANO (Italy). All agreements and contracts, in which FIR ITALIA is a party, will always be regulated by the Italian Law and are to be considered valid the general sale conditions printed on the back of our invoices.

vorliegende Garantie wird ausschließlich für Reparaturen und/oder Ersetzungen von defekten und nicht Verschleiß ausgesetzten Teilen ausgestellt. Die Garantie beschränkt sich jedoch auf den Preis des defekten Teils, wie aus den Preislisten der FIR ITALIA hervorgeht. Vergütungen für Montage oder Demontage des Produkts werden ausgeschlossen. Die vorliegende Garantie beeinträchtigt oder reduziert weder die ausschließlichen Rechte des Endverbrauchers noch irgendwelche anderen Rechte, die aufgrund von anderen Verträgen zwischen dem Endverbraucher und FIR ITALIA entstehen könnten. Diese vertragsmäßige Garantie beeinträchtigt nicht die vorgesehenen Rechte nach dem Gesetzeserlass Nr. 24 vom 02/02/02. Angewendet wird die Richtlinie 1999/44/EG zu bestimmten Aspekten des Verbrauchsgüterkaufs und der Garantien für Verbrauchsgüter. 11. WARENRÜCKSENDUNGEN UND AUFTRAGSANNULIERUNG - Rücksendung bestellter Waren oder Annulierung von Aufträgen, auch wenn noch nicht aufgeführt, können nur mit dem FIR ITALIA schriftlich gegebenen Einverständnis erfolgen. Für alle Warenrücksendungen, auch wenn von FIR ITALIA genehmigt, wird dem Kunden für Bearbeitungs- und -Lagerspesen ein Unkostenbeitrag in Höhe von mindenstens 20% (zwanzigProzent) des Betrages belastet. 12. MODELLE UND ZEICHNUNGEN - Die Modelle, Zeichnungen und Plane bleiben FIR ITALIA Eigentum. Es ist nicht gestattet, ohne FIR ITALIA ausdrückliche schriftliche Genehmigung, diese zu reproduzieren, zu benutzen oder sie Dritten zu übergeben. Die Abbildungen der Modelle selbst in FIR ITALIA Katalogen und Prospekten sowie die diesbezüglichen technischen Angaben in FIR ITALIA Preislisten und Broschuren verstehen sich zur Information und können von FIR ITALIA jederzeit, nach ihrem unanfechtbaren Erachten, geändert werden. Daher übernimmt FIR ITALIA keinerlei Verantwortung für gleichwelche eventuell festgestellt Unterschiede. 13. EIGENTUMSVORBEHALT - Alle von FIR ITALIA gelieferten Waren bleiben FIR ITALIA Eigentum bis alle FIR ITALIA Forderungen aus der gesamten Geschäftsbeziehung, Gesamtbezahlung einschließlich entsprechender Nebenspesen, beglichen sind. Im Falle, daß der Käufer die von FIR ITALIA gelieferte Ware veräußert, tritt er hiermit bis zur völligen Tiltung aller FIR ITALIA Forderungen aus Warenlieferungen die ihm aus der Veräußerung entstehenden Forderungen gegen seine Abnehmer mit allen Nebenrechten an FIR ITALIA ab. Auf FIR ITALIA Verlangen ist der Käufer verpflichtet, die Abtretung dem Käufer (d.h. seinem Kunden) bekanntzugeben, FIR ITALIA die zur Geltendmachung der FIR ITALIA Rechte gegen seine Abnehmer notwendigen Auskünfte zu erteilen und FIR ITALIA die erforderlichen Unterlagen zur Verfügung zu stellen. Übersteigt der Wert der abgetretenen Forderung die FIR Lieferungsforderungen, ist FIR ITALIA insofern nach Abzug ihrer Forderung und kosten zur Rückerstattung an den Käufer verpflichtet. 14. GERICHTSSTAND - Für alle eventuell entstehenden Streitigkeiten ist ausschließlich das Amtgericht in MILANO/Italien zuständig. Diese Bedingungen unterliegen dem Italienischen Recht und sind gültig die allgemeine FIR ITALIA-Verkaufs- und Lieferungsbedingungen, die hinten unserer Rechnungen sind.
